

Traffic Crash Claims One Man; 2nd Dies On Street

U.S. Planes Hit Hanoi: Ignore Red Cease-Fire

SAIGON (AP) — U.S. planes ignored the Communist cease-fire for Buddha's birthday today and raided Hanoi, the North Vietnamese capital. Pilots reported shooting down one MIG jet.

Tass, the Soviet news agency, said the planes subjected northern and southern sections of Hanoi "to massive bombings." The U.S. Air Force did not say what targets were attacked.

The Czechoslovak news agency CTK reported from Hanoi that the North Vietnamese capital was without electricity and water following Sunday's U.S. air raid on a power plant. Most of the plant was damaged, CTK added.

The Communists ushered in their two-day cease-fire with a dozen heavy mortar attacks before the deadline and a later attack on a U.S. force killed 15 Americans and wounded 71.

The Communists also blew the tracks from beneath a South Vietnamese military train nearly three hours after their 48-hour cease-fire was to have become effective at 7 a.m. Saigon time, or 7 p.m. EDT Sunday.

Start Truce Tonight

South Vietnamese and allied forces had said they would not begin their 24-hour truce for Buddha's birthday until one minute after midnight tonight, or 12:01 p.m. EDT today. The Communists caught a unit of the U.S. 4th Infantry Division as it was moving out on a sweep mission in the central highlands 33 miles southwest of Pleiku and at 7:02 a.m. opened up with intense mortar and rocket grenade fire.

U.S. headquarters said the American infantry battled an estimated Red battalion of perhaps 500 men for four hours. Thirty-two of the enemy were reported killed.

Under the generally understood ground rules for cease-fires in Vietnam, the Reds could have considered the U.S. sweep as an offensive action and their attack as self-defense.

After hard fighting Sunday just below the demilitarized zone, U.S. military headquarters said no contacts were reported today along the Ben Ha River line in the zone where U.S. Marines and South Vietnamese troops were consolidating their positions.

Marines Overrun Reds

About 1,000 Marines overrun Communist positions Sunday near the Leatherneck outpost at Con Thien. A U.S. spokesman said 36 North Vietnamese soldiers and 26 Marines were killed and 59 Marines were wounded.

Although the allied cease-fire does not take effect until tonight, there was no indication of any heavy U.S. ground activity today. However, the Air Force said the air war against North Vietnam went on without letup and the usual number of raids were made.

Weather

By The Associated Press

ESCANABA AND VICINITY—Mostly sunny and a little warmer today, high 56. Partly cloudy and not so cool tonight, low 38. Tuesday partly cloudy and a little warmer. Wednesday outlook: partly cloudy and turning a little cooler. Variable winds, 4 to 12 mph. today and tonight. High yesterday, 47 and low overnight, 30. Precipitation probabilities: today and tonight, near zero. Tuesday, 10%.

THIS CAR CARRIED Harry W. Pennings, 2309 8th Ave. S., into traffic of S. 23rd St. and 8th Ave. and a crash with an auto driven by Darryl W. Spaulding, Escanaba Rte. 1. Pennings, who appears in the background of this photo of his wrecked auto, died at 1:30 p.m. Sunday in St. Francis Hospital. (Police Dept. Photo)

Motorist's Car Strikes Body Of Fallen Man

One man was fatally injured in a traffic accident and another is believed to have died on the highway before his body was struck by a car on U.S. 2-41 in Escanaba over the weekend.

Dead are:

Harry W. Pennings, 77, of 2309 8th Ave. S., who died in St. Francis Hospital at 1:30 p.m. Sunday, of injuries suffered in a traffic crash near his home.

Hubert Frank Roberts, 65, of 1511 3rd Ave. N., who is believed to have collapsed and died on U.S. 2-41 near the north Escanaba railway underpass before his body was struck by a car at 8:52 p.m. Saturday.

Alone In Auto

Escanaba police who investigated the accident in which Pennings was fatally injured said that Pennings approached S. 23rd St. on 8th Ave. S. from the west. Pennings' home is at the southwest corner of the intersection.

Officers said that Pennings, alone in his car, was said by witnesses to have stopped at 23rd St. and then started up and drove into the traffic.

His car was struck by an auto driven by Darryl W. Spaulding, 31, of Escanaba Rte. 1, who suffered a lacerated chin. The Pennings car, hit on the left or driver's side ended up in the driveway of a service station across the highway. The accident occurred at 11:55 a.m.

Spaulding alone in his car, was traveling south about 40 miles an hour. Officers said Spaulding told them that he believed he would have been more seriously injured if he had not been wearing a seat belt.

Body On Road

Roberts was seen walking on the highway and in the area of the accident by witnesses who told police that Roberts was staggering and appeared to be intoxicated.

Peter W. Jarvis, 324 Michigan Ave., Gladstone, was driver of the car that struck Robert's body in the outside lane of traffic at the underpass Saturday night.

He told officers he was driving north when he saw something on the roadway, applied his brakes and swerved but was unable to avoid striking the body. With Jarvis was Sandra Moore, 210 N. 13th St., who told officers they were traveling about 30 miles an hour.

Dead Before Struck

Another witness, Theodore Kmpf of Ypsilanti, and other motorists confirmed, that Jarvis sought to avoid the accident.

An autopsy was performed at St. Francis Hospital and the report was that Roberts apparently was dead before he was struck and that the car did not cause his death. The report was that he was not killed by another auto. Blood samples are being forwarded to the state laboratory for analysis.

Pennings' death was the third traffic fatality in Escanaba.

Thant Seeks Peace While Arabs Mass

BEIRUT, Lebanon (AP) — Arab workers will blow up Western oil installations in the Middle East and strike against all Western air and sea traffic if war breaks out between the Arabs and Israel, the secretary-general of the Pan-Arab Federation of Labor Trade Unions declared today.

Hashem Ali Mohsen made his threat at an emergency meeting of the federation's executive council in Damascus, the Syrian capital, as more Arab forces were moved up to Israel's borders and U.N. Secretary-General U Thant prepared to fly to Cairo in an attempt to ease the Middle East crisis.

The threat to blow up Western oil installations in the Arab world have been made frequently, Syria blew up the Iraq Petroleum Co.'s pipelines during the Suez war in 1956.

Opening the labor conference, Syrian Chief of State Nureddin el-Atassi said Syria and Egypt are prepared to repel any Israeli aggression and "start the final liberation battle" against the Jewish state.

Continue Raids

Atassi said Arab commando raids into Israel would continue, declaring: "There is no power on earth that can stand in their way." Israeli threats to retaliate if the commando raids were not stopped touched off the current crisis and brought thousands of Syrian and Egyptian troops to Israel's borders.

More Arab forces were drawn up along Israel's borders today as U.N. Secretary-General U Thant prepared to fly to Cairo in an attempt to ease the tension in the Middle East.

Egypt moved troops to Sharm el Sheikh, overlooking the entrance to the Gulf of Aqaba, Israel's only direct access to the Red Sea, and began sending army reserves to staging camps following total mobilization orders.

Israel has said blocking its access to the Red Sea through its southern port city of Eilat would mean a fight.

Lebanon said it was sending troops to Israel's northern border to guard against "any sudden aggression."

In Cairo, the semi-official newspaper Al Ahran said Iraq was sending military units to support the Egyptian military buildup.

Despite the massive buildup around the Jewish nation and the possibility that some incident might touch off a war, no violence was reported along the Israeli borders.

In Jordan, though, the Interior Ministry said a Syrian bomb killed seven Jordanians and three Iraqis when a civilian automobile was being inspected at a crossing point on the Jordan-Syria border.

dan-Syria border. It termed the explosion a "criminal act" by Syria but said Jordan would maintain unity with the other Arab states in the face of danger from Israel.

Egypt Calls Reserves

Cairo radio reported Sunday that Egypt had called up its reserves. The Israeli government

Spokesmen for both Israel and the Arab side have said that if war comes, they are ready.

U Thant called the crisis the most menacing in the area since the 1956 Israeli-Arab war. He arrives in Cairo Tuesday and plans five days of talks with Nasser and other officials.

Thant Criticized

At U.N. headquarters in New York, lively discussion was expected on Thant's quick decision to withdraw the 3,400-man U.N. Emergency Force, which had been stationed in Egypt along the Israeli border and at Sharm el Sheikh.

Some Western delegates said privately that Thant should have stalled for time after Egypt asked him to remove the force. The secretary-general took the position that the troops were there with Egypt's consent, and when that was withdrawn they had to get out.

Ahmed Shukairi, head of the Palestine Liberation Organization, said in a Cairo news conference that his commando units and a regular army battalion are "well-equipped, well-fed and determined to wither Israel once and for all."

He said the United States would "face another Vietnam in the Middle East" if it intervened militarily on Israel's side.

Since Israel's birth 19 years ago, the United States has been committed to the security of both Israel and her Arab neighbors and against use of force in the Middle East.

Consequently, he added, most U.S. vessels "set in East Coast ports and wait for railroads to bring them their share."

"Each year," Hart said, "the Great Lakes states produce five million tons of military cargo. What could be more natural than for these supplies to move out through the St. Lawrence Seaway? There is ample evidence of savings to commercial shippers in the Great Lakes. Why shouldn't the government get the same savings?"

Discussing U.S. Bulk carriers that operate only in the lakes, Hart pointed out that Canada subsidizes its lakes fleet. In 1959, he said, there were 332 U.S. ships in the lake fleet and now there are only 220.

There is almost a total absence of U.S. ships making international runs into the lakes,

Crisis Confronting Federal School Aid

WASHINGTON (AP)—The future course of federal aid to education is at stake in House debate on a bill to extend President Johnson's school aid program.

The bill faces a fierce challenge from a Republican proposal to shift the major responsibility for carrying out the program from the federal to the state level.

Democratic leaders are looking for a narrow victory. Debate begins today and is expected to last two or three days. It is likely to have religious, racial and political overtones.

The big question is whether federal aid should flow directly to school districts to meet specific local needs or be given in lump sums to the states for distribution.

The historic Elementary and Secondary School Act passed by Congress in 1965 follows the first course. A bill by Rep. John Brademas, D-Ind., would authorize \$3.5 billion to continue it until June 30, 1969.

Most of the money is for upgrading the educational opportunities of children from low-income families. The rest is for purchasing textbooks and library materials, establishing sup-

plemental education centers and strengthening state departments of education.

The Republican alternative by Rep. Albert H. Quie, R-Minn., would authorize \$3 billion for the same general programs but let the states determine what local districts should get it.

Johnson has accused the Republicans of a reckless attempt to rewrite the law for partisan advantage and says they risk opening the old church-state fight that has wrecked earlier school bills.

The 1965 act quieted the controversy by earmarking money for programs to aid poor children and requiring that eligible parochial school children be included in the programs.

Quie insists he has written in guarantees that will keep the states from interfering in the existing relationship. But he has failed to convince some Catholic educators.

One weapon against him has been a letter to members of Congress from the Very Rev. Msgr. James C. Donohue, education director of the U.S. Catholic Conference, saying he is convinced the Quie amend-

ment "fails altogether to provide adequate assurances to protect the rights of children in private schools."

Also due for airing is the subject of school desegregation in the South. Each side needs Southern votes if it is to win, and the Southerners are bidding for legislative changes that would slow the pace of desegregation.

Three amendments that could make it more difficult for the U.S. Office of Education to enforce its school desegregation guidelines are to be offered by Rep. Edith Green, D-Ore. In announcing her plans last week, Mrs. Green said she felt her amendments would help save the administration's main program of aid to needy school districts.

However, she also has an amendment closely following a Quie proposal to shift one of the existing programs from federal to state control. The program, which some educators see as a breakthrough in solving the education problems of the cities, permits establishment of community-wide centers to supplement the schools.

Garrison said the CIA knows "the name of every man involved and the name of the individuals who pulled the triggers" to kill John F. Kennedy.

He says the CIA has "infinite more power than the Gestapo and the NKVD of Russia combined." He referred to police organizations of Nazi Germany and the Soviet Union.

Garrison said it would take "only 60 minutes for the CIA to give us the name of every last Cuban involved in this and that's how close we have been to the end for sometime, but we are blocked by this glass wall of this totalitarian, powerful agency which is worried about its power."

He repeatedly charged the CIA with blocking and attempting to block his investigation, begun last fall, and "as a result I think that in closing out the case the final details of evidence that we want will take us much longer, but we're not going to quit. We're going to get them anyway."

Shenker said he had been Hoffa's chief counsel for two months although several years ago he was under a retainer to the Teamsters Union.

Long said his subcommittee on practices and procedures, which is investigating invasion of privacy, has stepped on some toes. "It's gotten back to me more than once that members of these agencies have said, 'We'll get Sen. Long,' and I suppose that's where the whole thing started," he said.

Jim Garrison Claims Cubans Shot Kennedy

NEW ORLEANS (AP) — Dist. Atty. Jim Garrison says Lee Harvey Oswald did not kill President John F. Kennedy and that the CIA knows who did.

"Purely and simply it's a case of former employees of the CIA, a large number of them Cubans, having a venomous reaction from the 1961 Bay of Pigs episode . . . certain individuals

with a fusion of interests in regaining Cuba assassinated the president," Garrison says.

In Washington, a spokesman for the Central Intelligence Agency said the organization would have no comment on Garrison's remarks, made Sunday night in a 23-minute interview with newsmen Bob Jones on WVL-TV.

Garrison said the CIA knows "the name of every man involved and the name of the individuals who pulled the triggers" to kill John F. Kennedy.

He says the CIA has "infinite more power than the Gestapo and the NKVD of Russia combined." He referred to police organizations of Nazi Germany and the Soviet Union.

Garrison said it would take "only 60 minutes for the CIA to give us the name of every last Cuban involved in this and that's how close we have been to the end for sometime, but we are blocked by this glass wall of this totalitarian, powerful agency which is worried about its power."

Shenker said he had been Hoffa's chief counsel for two months although several years ago he was under a retainer to the Teamsters Union.

Sen. Long Denies Aiding Teamsters

ST. LOUIS, Mo. (AP) — Sen. Edward V. Long, D-Mo., has denied there was anything improper in his business associations with a St. Louis attorney who is chief counsel for imprisoned Teamsters union boss James R. Hoffa.

Life Magazine asserted in its May 26 issue that Long had misused his Senate subcommittee which is investigating invasion of privacy. The magazine alleged this assisted Hoffa in his efforts to get a jury tampering conviction upset.

"The charges made by Life definitely are untrue," Long said in St. Louis. He termed the magazine article "a smear."

The Missouri senator went on a St. Louis television station Sunday (KMOX-TV) to deny the charges.

Long said he had a long-standing working relationship with Morris A. Shenker, a St. Louis attorney who also is chief counsel for Hoffa. Long said he had referred cases to Shenker, but they involved corporate, estate

School Unsafe: Pupils In Tents

CALIPATRIA, Calif. (AP) — Green fields give way to ramshackle stores and dusty brick buildings as you pull into Calipatria.

Bumpy streets, lined here and there by small palms that yield precious little shade, lead to tiny suburbs. The 1 p. m. temperature stands at 85, and promises to go higher.

Just west of town, cooking brown under the desert sun, is the city airport. Flimsy-looking biplanes sit idle between crop-dusting chores.

Across the street, sitting dull green on a plot amid vivid green fields is the Big Calipatria High School building, empty, useless. And there, too, are the tents.

Here in the Imperial Valley, where blazing sun and Colorado River water have converted sage and sand into a vast, profitable vegetable garden, the high school population of Calipatria is getting its education in tents.

"The kids have been real good about it," said Supt. James Stevens. "and the teachers have taken it pretty well too."

And the students?

"It's okay. You get used to it. We're not liking it, but we're not hating it," said Kathy Layaye, a junior.

"We're not looking forward to summer," Stevens said. "The daytime temperature goes up to 110 degrees in June."

Last Feb. 14, a bond issue to finance a new school was defeated by the voters, falling 27 votes short of the two-thirds majority required for approval.

District trustees, advised that the old two-story building was unsafe and warned that they could be held personally liable, ordered the school evacuated.

On Feb. 20, the high school's 320 pupils moved into the drab, dusty tent city.

A new bond election is scheduled for June 6. The district is seeking \$1,297,000.

Stevens said abandonment of the old buildings was recommended after two firms "found that the old high school building was dangerous, that it might collapse in our next earthquake."

Varnum Opposes Road Sign Ban

Rep. Charles H. Varnum (R-Manistiquie) joined a successful fight in the House to defeat House Bill 2241, dealing with advertising signs on highways.

Varnum stated that the tourist business in Michigan would be seriously crippled if this bill ever became law. He also stated "In the Upper Peninsula we have been fighting this type of legislation since 1961." He cited the incident of Grandma Lorenz in her fight to keep the identifying sign in front of her place of business.

"It is time the Michigan Legislature put their foot down on many of the bureaucratic and state orders," said Varnum. "When will big government stop in their attempt to squeeze out small business?"

THOUSANDS GREETED Gov. George Romney in Sturgis Saturday as the eight-day Michigan Week celebration opened with a gala parade under a bright sky. Romney spoke at a luncheon with community leaders before leading the parade. (AP Wirephoto)

Club Is Closed During Summer

Club 314 completed another year of operation last week and is closed for the season, according to an announcement by the recreation department. The elderly citizens of the community will continue to use the building during the summer months for their social activities.

The city-sponsored youth center opened in September and provided wholesome recreation for the young people of the area in the evenings during the week and on Saturday afternoons. The facilities at the center were available to adults on Wednesday evenings and during the daytime hours throughout the week. On Sunday nights the gymnasium was reserved for archery.

General activities were conducted under the supervision of Francis Lueneburg, long-time member of the recreation department staff. Part-time leadership in the dance room was provided by Irene Pirlot and the basketball program was in charge of Darrel Bengry and Maurice Flynn. Earl Dumais and Erwood Slade shared supervision duties in the game room.

Activities in the youth center included basketball, pocket billiards, table tennis, weight lifting, volleyball, television viewing, dancing, and general socializing. The building was used on a regular basis by the Seniors Citizens Club, the Golden Age Club and the Red Buck Archery Club.

Sparrow Makes Home In Freezer; Refuses To Budge

MIAMI, Fla. (AP) — A sparrow evidently heard that the thing to do was to come south for the winter. So he came to Miami and built his home in a warehouse freezer.

The warmest temperatures there are 38 to 39 degrees below zero and the bird, who found his new home three weeks ago, won't budge.

"That bird must be from outer space," said Fred Duncombe, who loads and unloads produce at the warehouse.

"When I come in, he looks at me like he knows me," he said. "Sometimes he swoops down to my shoulders, but then he flies off."

Workmen have left the door open for hours so the bird could get out, but nothing doing. He just peeks out curiously and stays where he is.

"He flies up and down the freezer every day," said Jack Westbrook. The bird drinks water from the ice and flies over to the frozen foods department for more nourishing staples, Westbrook said.

World's largest city south of the equator is Buenos Aires, Argentina.

Bumblebee-Fed Frog Is Calaveras Champ

ANGELS CAMP, Calif. (AP) — A bumblebee-fed frog named after an Air Force missile has outjumped 2,000 of his cousins from around the world to become the new "celebrated jumping frog of Calaveras County."

With three mighty leaps before a crowd of 60,000 Sunday, Sidewinder IV showed his flickering webfeet to such also-rans as an Australian entry with a kangaroo jump, an invisible Hawaiian frog that disappeared into the stands and a human "frog."

Sidewinder's leap of 17 feet, 11 inches makes him not only celebrated, but with the \$300 title money, about the richest frog around.

Owner Mike Voitch, Stockton, Calif., tavern owner and 25-year frog jump veteran, promised his entry such rewards as escape from the Monday morning frying pan, rest and all the bumblebees he can handle.

"I've been jumping frogs for 25 years," Voitch declared after the victory. "I've got my own pond. First you find them, then you feed them bumblebees, then you start training them two weeks ahead of time. I won't tell you the rest. It's a professional secret."

Grandson Mike Guisto, the trainer, offered a hint to success:

"You hit the floor behind him and if he won't jump, you tickle him."

A legal hassle swirls around Victor B. Bonamour of Bordeaux, France, who appeared in an all-green suit and jumped 19 feet, 10 inches.

"I've got a court writ from San Francisco attorney Melvin Belli that certifies I'm a frog," insisted Bonamour, a 22-year-old student at Hayward, Calif., Junior College.

"The fifth dictionary definition of a frog is a Frenchman — and I want to jump," he declared.

Officials said he wouldn't qualify unless he could stay under water for 15 minutes and leap from all fours. Bonamour, a scuba diver, offered to do so but his claim was disallowed.

Ex-Governors To Be Starred On WNMR Tonight

MARQUETTE — The threat of neo-Nazism in Germany will be the subject of a documentary, "Germany and its Shadow," to be presented by Northern Michigan University's educational television network, WNMR-TV, at 9 p.m. Thursday, May 22.

Also highlighting the network's evening program schedule during the week will be a live telecast of the Michigan Week Government Day program tonight at 8 at Northern's University Center. The program will feature five former governors of Michigan, Lt. Gov. William Milliken, representing Governor Romney, and NMU President Edgar L. Harden, chairman of Michigan Week. The program will be repeated, on tape, at 8 p.m. Wednesday.

"H. G. Wells, Man of Science" will be presented at 8 p.m. Thursday.

"The Master of Santiago," Henri de Montherlant's classic drama, is scheduled for presentation at 8:30 p.m. Friday.

In Service

Six Escanaba area men have completed eight weeks of advanced training as combat engineers at Ft. Leonard Wood, Mo. During training, they received instruction in combat squad tactics, use of infantry weapons and engineer reconnaissance. The young men completing the training are: Pvt. Richard J. Dubord, 20, son of Mr. and Mrs. John Dubord, 411 S. 9th St.; Pvt. Marvin T. Krause, 23, whose parents, Mr. and Mrs. Fred Krause, reside at 2130 S. 20th St. and wife, Sharon, lives at 2501 S. 23rd St.; Pvt. Gary St. John, 21, son of Julie St. John, Schaffer; Pvt. Robert L. Potvin, 20, son of Mr. and Mrs. Leo J. Potvin, 1011 9th Ave. S.; Pvt. George W. Perle, 24, son of Mr. and Mrs. George Perle, 104 N. 3rd St.; Wells, and Pvt. Roger T. Richer, 20, son of Mr. and Mrs. Joseph Richer, Rte. 2, Bark River.

Robert G. Weber, son of Mr. and Mrs. Arthur J. Weber, 121 S. 2nd St., Wells, has been promoted to airman first class in the U.S. Air Force. Airman Weber is a communications specialist with a U.S. Air Force unit at Samsun Air Station, Turkey. A graduate of Holy Name High School in Escanaba, the airman attended Michigan Technological University and Indiana University.

Rapid River Poppy Sale

The American Legion Auxiliary Unit 301, Rapid River will be distributing Memorial Poppies May 25, 26 and 27, Junior members and Clubs Scouts from Rapid River will aid in this very important program. Contributions received from the public are used for the rehabilitation and child welfare programs. The Auxiliary Unit will hold election of officers at the Club rooms in Rapid River, June 6, 8:30 p.m.

Library Chief Is Resigning

John M. Piatek, librarian for the past two years at Carnegie Public Library in Escanaba, is resigning effective June 3 and will leave for Florida to visit relatives, later he will attend a convention of the American Library Association.

From there he expects to go to the Greater New York City area. He came to Escanaba in April, 1965.

Piatek was presented with a gift of luggage by the library staff at an after-hours surprise party in the library Friday night.

His resignation from the Escanaba Public Library position was accepted "with regret" by the Library Board at a recent meeting. There is no appointment to fill the vacancy as yet.

The Board announced summer hours at the library, as recommended by Piatek, as follows:

Mondays 9 a.m. to 9 p.m.; Tuesday through Friday — 9 a.m. to 6 p.m.; and closed Saturdays.

Briefly Told

Knights of Columbus will meet at 8 p.m. Monday in the clubrooms at the Sherman Hotel.

The Better Hearing and Speech Society will meet at the Chamber of Commerce building, at 8 p.m. Wednesday.

Delta Lodge 195, F. & A.M. will hold a special communication at the Masonic Temple at tonight. At 8 p.m. members will meet at the Anderson Funeral Home to conduct services for Harry W. Pennings.

Three States Make A Proposal

U.P. Highway Relocations Urged

By JEAN WORTH

Highways bring most tourists to recreation areas and the measurement of the process has been in mileage, but that's changing.

Limited access express highways have so reduced travel time that it is now reckoned in hours and not miles in gauging the potential of a recreation area to draw visitors from big cities.

Highway development planning by the states of Michigan, Wisconsin and Minnesota for the Upper Great Lakes Economic Development Region holds that travel time between the region and its markets to the south must be reduced if the region's resources are to be more fully used.

Developing a "backbone" highway system is a requirement, if this objective is to be reached.

Shortening Distance

The highway planners of the Northern Great Lakes States say that the tourist and recreational development of Michigan's Copper Country would be much different today if Chicago and its 6 million people could be moved to the vicinity of Green Bay, Wis., in time proximity. And this can be done by limited access highway development. It would take no more time to drive to Copper Harbor from Chicago than it now does to drive there from Green Bay.

Other time-distance reductions in the Upper Peninsula would be similarly affected. Other benefits of the highway development being planned include:

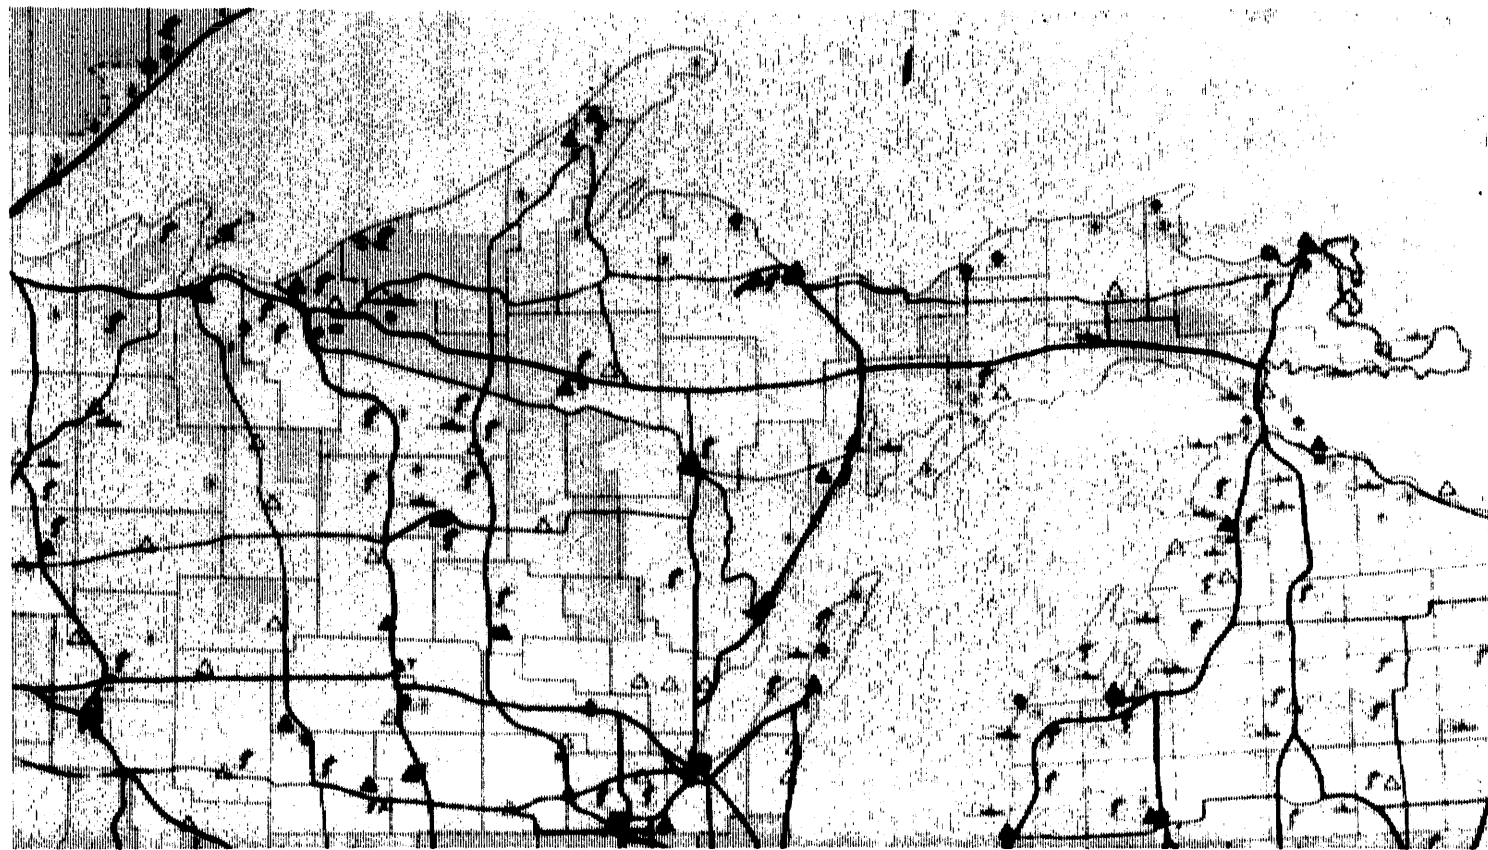

- Serving regional development by linking high schools, vocational schools, hospitals, etc., and their planned access areas.

- Serving regional urban centers so that special city services would be more accessible to outlying communities.

- Promoting regional trade by connecting trade centers.

Local Funds Lacking

Regional planning for highway development seeks two

THE PROPOSED BACKBONE highway system for the Upper Peninsula in the Upper Great Lakes Economic Development Region is mapped, with the east-west backbone route north of the present US-2 and with M-28 as a secondary arterial to the north of it. The north-south backbone with express freeway construction would be I-75 from St.

Ignace to Sault Ste. Marie; US-41 from Menominee through Escanaba-Gladstone to Marquette; US-45 and US-51 up from Wisconsin to connect with the east-west backbone. There would be north-south arterials on M-177, M-95, US 141, US-41, and US-45 and east-west on US-2 from Escanaba to Iron Mountain.

Commission declare that the states have demonstrated financial inability to provide the proposed "backbone" highway system at an early date, and that, since the need exists now, additional funds will be required. They would come from the federal government, which created the UGLEED and which has made \$541,500 available to it for first planning funds.

Transportation usually is developed in response to demand, but the three state highway departments believe that better highway systems can stimulate development in the Lakes Region. They'd provide the chicken before the egg.

Highway planning considerations developed by the three states for the Upper Great Lakes Economic Development

Commission declare that the states have demonstrated financial inability to provide the proposed "backbone" highway system at an early date, and that, since the need exists now, additional funds will be required. They would come from the federal government, which created the UGLEED and which has made \$541,500 available to it for first planning funds.

The Alpalachia-type project is expected to lean heavily, as in Appalachia, on highway development as a stimulator for economic growth.

The backbone highway system being proposed to UGLEED for the Upper Peninsula would be fed from the South by:

- Present Interstate 85 at St. Ignace.

- A highway on the route of M-35 from Menominee north along the west shore of Green Bay through Escanaba-Gladstone and north to Marquette.

- A highway on the route of US-141 into the U.P. at Iron Mountain-Kingsford.

- A highway on the present route of US-45 to Watersmeet.

Bruce Crossing, Mass and Houghton.

- A highway on the route of U.S. 51 to Ironwood.

Changed U.P. Flow

Within the U.P. the east-west backbones would be the present M-28 in the north from Sault Ste. Marie to Wakefield as a secondary route, and a new east-west highway which would be the chief backbone

and which would replace the present U.S. 2. It would start from I-75 at the top of St. Martin's Bay north of St. Ignace and would run west, north of U.S. 2.

It would pass through northern Delta County north of Rock, would pass north of the top of Menominee County and would join the present route of U.S. 2 at Crystal Falls after passing through Sagola. It would thus pass to the north of the major southern cities of the U.P. like Manistique, Rapid River, Gladstone, Escanaba, Bark River, Powers-Spaulding, Hermansville, Norway, Kingsford and Iron Mountain.

Escanaba-Gladstone would be connected with a secondary backbone on the present route of U.S. 2 to Iron Mountain, with M-95 giving connection there to the new backbone route to the north.

The Peninsula's central major north-south backbone would give Escanaba-Gladstone new traffic volume on the route from Chicago and Milwaukee north into the Central U.P. to Marquette.

P&H Foremen's Party Largest

The largest May Foremen's Club party in the history of Harnischfeger Corp. in Escanaba was held Saturday evening at Marco's with 160 members and corporation officials and their wives enjoying the cocktails, dinner and dancing.

The program was mostly social, with short talks of an optimistic kind by Board Chairman Walter Harnischfeger and President Henry Harnischfeger of Milwaukee, and by Edward Bruhns, manager of the Truck Crane Division and Jack Williams, manager of the Welding Division, in Escanaba.

William Fodor, foreman of the Welding Division was chairman of event and Robert Meier, manager of quality controls, is president of the Foremen's Club.

The group of officials from Milwaukee headquarters of the company included, besides the Harnischfegers, Robert D. James, executive vice president; James A. Mezera, vice president-administrative services; James W. Gaudet, controller; Robert Losse, director of industrial relations; and Jack Boettcher, director of management personnel development. All of the Milwaukeeans wives accompanied them except Mrs. Walter Harnischfeger.

Players Tell Season's Plan Here Tuesday

Next season's productions including a musical, will be announced at a meeting of the Players de Noc Tuesday at 8 p.m. in Room 10, Bay de Noc Community College.

Officers will be elected and the new constitution will be ready for final approval.

Productions for the summer season will be discussed and all persons interested in theater are invited.

Rocket Warheads

HILLSDALE (AP) — The Albion Malleable Iron Co. of Hillsdale has been awarded a \$1.25 million contract to build warheads for a U.S. rocket, it was announced here.

Occasional Nip

NEW YORK (AP) — Benjamin Silber says he lived to be 100 by puffing all day on a pipe and taking "an occasional nip."

Mrs. C. Johnson Dies On Sunday

Mrs. Christina Johnson, 83, of 402 S. 19th St. died at 12:50 p.m. Sunday at St. Francis Hospital where she had been a patient for the past 52 days. She was born in Sweden on Aug. 28, 1883 and had resided in Escanaba for the past 64 years. Mrs. Johnson was a member of the Order of Runeberg.

She is survived by her husband, Axel; two daughters, Mrs. L. E. (Esther) Tollack of West Bend, Wis. and Mrs. Agnes T. Henkley of Albuquerque, N.M. four sons, George of Escanaba, Hilmer of Hobbs Sound, Fla., Melvin of Oakland, Calif. and William of Racine, Wis.; one brother, Carl Swanson of Minneapolis, Minn., nine grandchildren and 14 great grandchildren.

Friends may call at the Anderson Funeral Home from 4 to 9 p.m. Tuesday and complete funeral services will be conducted from the funeral home chapel at 11 a.m. Wednesday. Rev. Roger Patrow will officiate and burial will be in Lakeview Cemetery.

Arthritis Forum Is Scheduled For Escanaba June 8

The Michigan Chapter, Arthritis Foundation, in cooperation with the Delta-Menominee District Health Department and Michigan Public Health Department will conduct an Arthritis Forum at 8 p.m., Thursday, June 8 at the Junior High School in Escanaba.

The Forum is free and open to the public and will feature a panel of arthritis authorities who will present the latest facts on arthritis, its diagnosis and treatment and the progress in the field of research. Following the presentations, the panel will answer questions submitted by the audience.

Participants will include Ian Sayani, M.D., orthopaedic surgeon of Escanaba, George M. Wilson Jr., M.D., internist from Marquette, John W. Sigler, M.D., chief, Division of Rheumatology, Henry Ford Hospital in Detroit.

Staff members of the Michigan Chapter, Arthritis Foundation participating will be Duncan M. Laidlaw, executive director; Troyan C. Gal, R.P.T., director of patient care services and Delvin K. Mitchell, O.T.R., occupational therapy consultant.

In addition to answering questions, the experts will discuss many phases of arthritis such as procedures in the field of physical medicine in relation to the overall program of physical and occupational therapy in arthritis, prevention and correction of deformities in arthritis, the present and future of arthritis research and the common types of methods of diagnosis and treatment in arthritis.

Rouman Heading Outdoor Group

LANSING — Citizens with an interest in shaping Michigan's outdoor future are urged to attend a statewide organizational meeting of the new group, Michigan-America's Recreation State (MARS), May 24, in Lansing Civic Center.

It will be held to select leaders and form action groups to carry out broad, forward-looking goals of MARS' Citizens Action Council. Council President James L. Rouman, stressing that the time is now for mobilizing the action group throughout Michigan, is appealing for all outdoor-minded citizens to take part in the May 24 session.

ON THEIR WAY TOWARD a Viet Cong target is plenty of steel fired by Battery C. 1st Battalion, 7th Artillery in supporting a 1st Infantry Division. Third man from the left is Sgt. Richard J. Juneau of Nahma, who has been stationed in Vietnam for the past nine months. His wife, Margaret, lives with his parents, Mr. and Mrs. William Juneau of Nahma. He entered the service seven years ago.

Bottles Helped Win West

By PAUL ALBRIGHT

LAS VEGAS (AP)—Tucked away behind the scenes at Fort Union National Monument is a vast collection which helps in reconstructing the lives of the soldiers and civilians who helped to win the West.

Thousands of bottles—which at one time contained everything from perfume to pain killer—are stored outside the view of most tourists who visit the once-important frontier post 30 miles north of here.

The bottles are kept out of the regular museum largely because of the lack of exhibition space and anyone really interested can see them, says National Park Service historian Dale F. Giese.

There are 800 types of bottles with quart-size beer bottles numbering in the hundreds.

Among the interesting labels are such names as "Dr. King's New Discovery for consumption," "Davis' Pain Killer," "Dr. Pierce's Golden Medical Discovery."

Most of those remedies contained a very high percentage of alcohol, says Giese.

Soft drinks were imported from Ireland, wine from Germany and France, ale from England and perfumes from France.

A few years ago, the National Park Service sent more than 200 duplicate bottles to the Smithsonian Institution for its bottle collection.

The bottles have been found during excavations of building foundations, wells and cisterns since the fort became a national monument in 1956.

Fort Union was a guardian of the Santa Fe Trail for early-day travelers and an important outpost during the Civil War for keeping the New Mexico Territory secure for the Union.

The fort was abandoned in 1891 after the coming of the railroad eliminated the fort's military value.

Stops Tormenting Rectal Itch

Exclusive Formula Promptly Itching, Burning and Pain of Piles In Most Cases

New York, N.Y. (Special): The embarrassing itch caused by hemorrhoids is most torturous. But science has now found a special formula with the ability, in most cases—to promptly stop the burning itch, pain and actually shrink hemorrhoids without surgery except in unusually severe or persistent cases. And

all without narcotics, stinging astringents or surgery of any kind.

The secret is Preparation H®—the only formula that contains Bio-Dyne®. Preparation H also lubricates, soothes irritated tissues and helps prevent further infection. In ointment or suppository form.

After 23 Years Royal Oak Man Gets Hero Medal

ROYAL OAK (AP)—William McHugh, 40, just found out—after 23 years—that he's a hero.

"I can't even remember whether it was in 1944 or 1945 that it happened," he said. "But I believe I remember the incident."

"My platoon was bush-whacked somewhere around the Siegfried Line. Our machine gunner was killed. I was nearby, took over and returned the fire."

"I just happened to be there—so I did what I could until the unit was able to recover," he added.

The mailman, who walks a route in Birmingham, found a few months ago he could receive such lesser medals as the Combat Infantryman's Badge, a Good Conduct Ribbon and the Purple Heart upon request.

So McHugh wrote for them. He got them this week—along with a Bronze Star. He said the citation accompanying the medal didn't tell him much, but he thinks he knows what it's all about.

The Army didn't explain why it took 23 years to learn he was a hero.

"It kind of came by surprise," said the former Pfc. with the 63rd Infantry Division.

Shoplifters Are Ordered: Reduce!

SAN BERNARDINO, Calif. (AP)—Municipal Court Judge John B. Lawrence sentenced two 18-year-old girls convicted of shoplifting to a fine, one day in jail, two years probation and a crash diet. A 165-pound girl was ordered recently to lose 15 pounds and a 145-pound girl must lose 10 pounds in six months or they face jail for 29 more days.

The judge said, "I thought that making them do without sweets awhile would sting, and that everytime they went without a malted they would remember they are being punished."

Oliver Promoted

ANN ARBOR (AP)—Prof. William J. Oliver, M.D., has been appointed chairman of the department of pediatrics and communicable diseases at the University of Michigan Medical School. Oliver has been a member of the school's faculty since 1953. He replaces Dr. James L. Wilson who is retiring.

Dairy Outlook On Profits Up

EAST LANSING — Given a normal crop year, earnings on established dairy farms in southern Michigan could be even better in 1967 than in 1966, which were the best in three years, Dr. L. H. Brown, Michigan State University extension dairyman, says increased expenses, however, took much of the dairyman's increased income from milk due to higher costs in 1966.

The average investment in Tel-Farm dairy farms has moved up from \$114,000 to \$128,000 in two years and tillable acres from 245 to 264.

STEPHEN LOWNEY, 9, son of Mr. and Mrs. Patrick Lowney, Marquette, rests and recuperates in St. Mary's Hospital, Marquette, after an all-night ordeal lost in the woods. He was found late Saturday morning after straying from his father's camp near Skandia and being lost late Friday afternoon. Some 2,000 persons searched for him most of the night. (AP Wirephoto)

Saginaw Man Kills Policeman

SAGINAW (AP) — A 30-year-old Saginaw man today was in fair condition in a Saginaw hospital after allegedly fatally shooting a Saginaw policeman and then falling under a hail of bullets from the wounded officer and his partner.

The policeman, Leonard Scott, 37, died of a wound in the chest after Eddie Gaines reportedly fired a shotgun at him in a Saginaw barbecue restaurant Saturday.

Witnesses said Scott and Policeman Joseph Hale answered a trouble call at the North End Barbecue. Scott entered the restaurant first and Gaines shot him down, said police.

Then Gaines fell as both the wounded Scott and Hale opened fire.

A veteran of 12 years on the Saginaw force, Scott died shortly after the shooting.

War Protests Land 11 In Jail

TOLEDO, Ohio (AP) — Eleven persons, most of them University of Michigan students today faced arraignment in Toledo Municipal Court on charges of disturbing the peace after allegedly demonstrating against the war in Vietnam during an Armed Forces Day program.

Seven demonstrators, who identified themselves as members of Students for a Democratic Society group, were taken into custody Sunday after they ran into a simulated Viet Cong stronghold that was under mock attack by military reservists.

Military police carried members of the group away from the scene.

About 50 other demonstrators circulated through the crowd and passed out flowers, candy and cookies.

Four persons who said they were only passing out leaflets were also charged with disturbing the peace.

Held on \$50 bond were: Donald Larkin, 26, Grand Rapids; James T. Russo, 20, Dearborn Heights; Michael Dover, 18, Grosse Pointe Farms; and Rita Leasure, Detroit.

The others, all from Ann Arbor, were: Theodore Steege, 27, Stanley Nadel, 22; Milton E. Taube, 20; Tina Schragger; Terry Daenzer, 28 and his wife, Tina; and Michael Meyers, 21.

All except Nadel and the women were identified as UM students.

Brussels Store Blaze Kills 13

BRUSSELS, Belgium (AP) — Flames raged through the department store A l'Innovation in downtown Brussels today and unofficial reports said 13 persons had perished, some perhaps by jumping from upper floors of the building. Witnesses said they had counted seven blanket-covered bodies.

Huge columns of smoke rose from the store, on the Rue Neuve just behind ancient Brussels Cathedral. The whole five-story building appeared to be ablaze.

A spokesman for the city's fire brigade said he had received reports that most persons in the store had left safely, but that many had been injured.

North Western Cited For Safety

For the second consecutive year the Chicago & North Western Railway has been named by the National Safety Council to receive two first place awards for outstanding accomplishment in the fields of passenger and employee safety in the railroad industry.

The Council has announced the railway company as recipient of its Award of Honor, the Council's top award for passenger safety. North Western has won this annual award every year since it was established three years ago.

Alabama U Girl Is Miss USA

MIAMI BEACH, Fla. (AP) — Miss USA's boyfriend admits he's already asked her to marry him but says he's dated better looking girls.

And Miss USA, Sylvia Hitchcock, said her high school chums passed her over twice in choosing homecoming queens. Both times she was just a runner-up.

But the judges and an enthusiastic audience agreed Saturday night that the University of Alabama junior was the fairest of the contestants.

"Well," hedged the boyfriend, when asked if Sylvia was the most beautiful girl he has ever dated. "She's the most natural and down to earth girl I've ever dated."

A tall-dark-and-handsome football player, Herbert (Skip) Hunter of Hastings, Fla., diplomatically declined to discuss the question in any more detail. The proposal, he said, resulted in a "maybe, eventually" answer.

Miss Hitchcock, who represented Alabama in the pageant, was raised on a chicken farm in Miami.

"I used to collect eggs," she said after she awakened Sunday morning surrounded by photographers and red roses. My uncle told me that the rooster laid eggs, too, so I went out to collect them. But they just scratched me."

Miss Hitchcock, who represented Alabama in the pageant, was raised on a chicken farm in Miami.

The flags, purchased by the organizations for the schools, will be flown during Michigan Week, which began Sunday. (Daily Press Photo)

70 Arrested In 4 Sunday Riots

By The Associated Press
Some 70 persons were arrested in four cities Sunday after disturbances at a memorial service for Malcolm X, slain Black Nationalist leader; youths trying to crash a rock 'n' roll show; an Arab-Jewish clash during observance of Israel Freedom Day, and an apparent protest against closing a housing area.

In Chicago, 30 persons were arrested and three policemen injured on the city's South Side in a two-hour fracas after the service for Malcolm X. A spokesman for the affair blamed it on police who, he said, "began harassing" the meeting. For two hours, an angry crowd of 500 tossed rocks and bottles at police.

In San Diego, Calif., 34 Negroes and 4 whites were arrested during a two-hour rampage resulting from a youth being arrested for trying to crash the rock 'n' roll show in a jammed auditorium.

In San Francisco, a clash erupted in Golden Gate Park between some 100 Arab students and a Jewish gathering of about 1,500.

The Arabs picketed the meeting, carried placards, and heckled a Jewish speaker. Fighting broke out and most of the Arab placards were torn up.

At Vallejo, Calif., sporadic fighting for three hours, including some sniper fire and bottle throwing, broke out in Floyd Terrace housing, a Negro section ordered closed by the City Council. It was built during World War II.

Police said the grocer, Joseph D'Angelo, was sitting with his wife in their store shortly after midnight when a man entered the store and took some beer out of the refrigerated case.

He then motioned to a Negro companion who came in and struck Mrs. D'Angelo on the head, said police.

Mrs. D'Angelo told police she heard her husband cry "Oh, my God," as she groped for a telephone, and then she heard a shot.

"We're looking for two young men, one white and one Negro," said Caviston.

"The white man was armed and probably did the shooting," he said.

Wrong-Way Crash Kills Woman; 18 Die On Highways

By The Associated Press
A desperate effort by police to halt a motorist reportedly speeding in the wrong direction on — 75 failed Saturday night and led to one of the state's 18 weekend traffic fatalities.

The five-mile wrong way chase ended in a head-on collision that took the life of a Detroit woman and critically injured two other motorists.

Police said Robert L. Bates, 41, of Taylor Township entered the northbound lane of the freeway at Sibley and headed south.

Both state and local police tried to intercept him.

Just before the crash he had zipped by a Rockwood police car and ignored efforts to signal him down with siren, horn and a spotlight.

He plowed into a car in which Mrs. Georgia Lee Foster, 53, and her son, Robert, 22, were riding.

Mrs. Foster was killed. Her son and Bates both were listed in critical condition in Seaway Hospital in Trenton.

Seventeen other persons were killed in automobile traffic between 6 p.m. Friday and midnight Sunday.

Drag Racer Killed As Family Watch

MOUNT CLEMENS (AP) — Dick Sawallich of Brighton, a veteran 30-year-old drag racer, was killed Saturday night when the impact of his parachute brake tore his car apart at 160 miles an hour, witnesses said.

Sawallich was thrown from the car in the race at Motor City Dragway near this Detroit suburb. He was pronounced dead on arrival at a Mount Clemens hospital.

Sawallich's wife and three children were among some 4,500 fans who witnessed the accident.

Drag Racer Killed As Family Watch

MOUNT CLEMENS (AP) — Dick Sawallich of Brighton, a veteran 30-year-old drag racer, was killed Saturday night when the impact of his parachute brake tore his car apart at 160 miles an hour, witnesses said.

Sawallich was thrown from the car in the race at Motor City Dragway near this Detroit suburb. He was pronounced dead on arrival at a Mount Clemens hospital.

Sawallich's wife and three children were among some 4,500 fans who witnessed the accident.

Sought In Slaying

FLINT (AP) — Police today sought an 18-year-old youth who witnesses said fled the scene after fatally shooting Cecil Nelson, 31, of Flint, during an argument Sunday in a restaurant.

Motorist's Car Strikes Body Of Fallen Man

(Continued from Page 1)
and the fourth in Delta County so far this year.

47 Years
Harry W. Pennings of 2309 S. 8th Ave. was born in Kaukauna, Wis. and had resided in Escanaba for the past 47 years. He was employed as a paper maker for the Mead Corporation, retiring in 1955. Mr. Pennings was a member of Delta Lodge 195, F. & A. M.

He is survived by his widow, Mildred and several nieces and nephews.

Friends may call at the Anderson Funeral Home from 7 to 9 p.m. today and masonic services will be conducted at 8 p.m. today. Complete funeral services will be conducted at 1 p.m. Tuesday at the funeral home chapel with Rev. John Alford of St. Stephen's Episcopal Church officiating. Burial will be in Gardens of Rest Cemetery.

Herbert F. Roberts, 64, of 1511 3rd Ave. N. was born July 17, 1902 in L'Anse and came to Escanaba with his family in 1912. He had resided here since that time with exception of Army duty during W.W.I.

He was a member of St. Patrick's Church and was employed by the City of Escanaba. Survivors include his widow, Elsie; seven sons, Jack and James of Milwaukee, John of Escanaba, Noel serving with the U.S. Air Force in Viet Nam; Ray, serving with the U.S. Army in Hawaii, and Dennis and Thomas at home; three daughters, Mrs. Jacqueline Fain of Escanaba, Mrs. Rene (Patricia) Brunette of Milwaukee and Denise, at home; three sisters, Mrs. Rosella Shipway of Milwaukee, Mrs. Bertha Steinmann of Oconomowoc, Wis. and Mrs. Lon (Laura) Vandervort of Escanaba; two brothers, Ted of Milwaukee and Antone of Gladstone and 18 grandchildren.

The body has been taken to the Degnan-Crawford Funeral Home and funeral arrangements will be made pending the arrival of the sons in the service.

Briefly Told

The Golden Age Club will meet at Club 314 at 7 p.m. Tuesday. The speaker will be Mrs. Caroline Worcester. A moving picture will be shown.

Escanaba police have issued traffic court summonses to Charles R. St. Peter, 308 N. 13th St., disobeying a stop sign; and Gene A. Legg, 318 S. 10th St., improper turn and expired operator's license.

The Chicago & North Western Club of Iron Mountain has invited the Escanaba club for a luncheon June 6. Reservations must be made by June 1 with Mable Bowers at ST 6-7690 or Mrs. Clinton Priester at ST 6-4794.

Col. Olds Bags 4 Commie Jets

SAIGON (AP) — Col. Robin Olds became the leading MIG killer of the Vietnam war over the weekend, shooting down his third and fourth Communist jets in the skies over North Vietnam.

The 44-year-old World War II ace became the first pilot of the war to knock down three MIGs when he got a MIG17 40 miles northeast of Hanoi Saturday.

Olds also was credited with a probable kill, and the Air Force said today the "probable" had been confirmed. Now Olds needs only one more MIG to make him a Vietnamese war ace.

During World War II, Olds, a West Point graduate, was credited with knocking down 24 1/2 enemy planes. The half represented a kill he shared with another pilot.

Olds is married to former actress Ella Raines and is the father of two teen-age girls. His family lives in Washington, D.C. He was a football star at West Point and now commands the 8th Tactical Fighter Wing based in Thailand. The wing is credited with shooting down 22 of the 54 MIGs claimed by Air Force pilots over North Vietnam. Navy and Marine fliers claim 16 more MIGs.

Skydivers Collide; 1 Killed, 1 Hurt

ZARAGOZA, Spain (AP) — One member of the U.S. Air Force Blue Masters skydiving team was killed and another suffered several broken ribs today in a 6,500-foot fall after colliding during an exhibition jump.

The two, with eight other jumpers, had started a free fall demonstration at 13,000 feet. They became entangled while passing a baton. One man's parachute opened partly but the two crashed hard.

U.S. authorities withheld the identity of the dead man. They said the injured jumper, Richard Vassar of the 1945th Communications Squadron in Wiesbaden, Germany, was believed out of danger.

Democrats Ask Halt In Bombing

KALAMAZOO (AP) — President Johnson has been asked by Democratic leaders in the predominantly Republican 3rd Congressional District to call a halt to the bombing of North Vietnam.

"Cease bombing North Vietnam and try U Thant's proposals leading to negotiations," urged a telegram signed by former U.S. Rep. Paul H. Todd Jr. and the county chairmen of the five counties within the district.

Todd is now district Democratic chairman. "The bombing in North Vietnam has been escalated to the point where diminishing military returns are being offset by a rapid deterioration of our international influence," the message said.

Germfask

Craft Club
The East End Craft Club's end of the year outing was held Wednesday afternoon. Members, Mrs. Clytie Spencer, Mrs. Jennie Young, Mrs. William Anderson, Mrs. Ling Burns, Mrs. William Caffey, Mrs. Redvers Thibadeau, Mrs. Harlan Ackley, Mrs. Robert Fox and Mrs. Emmett Crawn went to Manistique to shop and then met at the Sunny Shores Restaurant for dinner. Later some members went to Mrs. Young's home and played cards.

Water Pollution Control Hearing Set At Marquette

Michigan's Water Resources Commission has set a public hearing for May 25 in Marquette to air its proposed pollution control standards for Lake Superior, the St. Marys River, the Menominee River Basin, and the Montreal River Basin.

The hearing, scheduled to begin at 10 a.m., E.S.T., in the Michigan Center of Northern University, will focus on the Commission's recommended water quality guidelines to protect priority water uses in different sectors of the lake and river systems.

The Commission's proposed plan for putting these pollution control standards into operation and enforcing them in various use sectors will also be discussed.

As proposed, most of the Upper Peninsula waters will be covered by standards designed at the minimum to protect them for public water supply, for fish and wildlife, for swimming and other water-oriented recreation, and for agricultural uses.

Winter Returns

CADILLAC (AP) — Winter came back to Cadillac briefly Sunday. About one inch of snow fell, startling motorists whose cars clogged area roads. The heavy, wet snow apparently fell only in the Cadillac area. The temperature there was 32. Rain fell most of the day.

AAA Cuts Car Insurance Cost

DETROIT (AP) — More than one sixth of Michigan's auto owners stand to save about \$10 million in insurance costs under an Automobile Club of Michigan rate reduction—the first in ten years.

The AAA announced Saturday that a combination of premium refunds and rate reductions would go into effect July 1.

The cuts won't affect motorists who are insured under the assigned risk plan or those insured by an AAA subsidiary.

Motor State, a company spokesman said.

Motor State insures drivers who have had more than the average number of accidents.

As policies expire, refunds of 10 per cent of the cost of 1966-67 policies will go to each insured.

The Auto Club exchange sets higher premiums for marginal drivers, younger drivers and parents of young drivers, with some rates running as high as \$500.

Refunds will average about

\$15 per policy, but could go as high as \$50 for those who pay the big premiums.

Premium refunds will total about \$9 million, according to Richard R. Dann, executive vice president of the club's Insurance Exchange.

A reduction in rates for uninsured motorists coverage and comprehensive protection will account for another \$1 million, Dann said.

Dann said the cuts and refunds are possible because "We feel our concentrated program of positive safety education has had an influence on our members."

Rock

School Picnic

Rock school exams will be May 23-24. The annual school picnic will be held at the Pioneer Trail Park on Wednesday afternoon, May 25. Sloppy joes, potato salad and ice cream will be served and games will be played.

At 9 a.m. there will be a movie shown for the high school students, "The Pit and the Pendulum," and a Dracula cartoon. For the elementary grades the movie will be "Bohemian Girl" with Laurel and Hardy and a "Barbershop" short. Parents and the public

are invited to attend.

On Friday, May 26, the students will receive their report cards and school will close.

Wedding

Miss Arlene Sauthere of Garden River, Ontario, Canada, and James Rabideau, son of Mr. and Mrs. Stephen Rabideau of Rock were married on April 29 at the Church of Nativity, Sault Ste. Marie. Rabideau is stationed at Kincheloe Air Force Base. A reception was held at the K.C. Hall in the Soo following the wedding and at the home of his parents on May 7.

Herb Westlund motored to

Chicago for the weekend on business.

Mr. and Mrs. Arvo Kulkki have returned to Rock after spending five months in Florida.

Isaac Saari, 81, died in Munising after being ill for several months. Funeral services in Munising were attended by Mrs. Femmi Enberg, a sister, and Mrs. Martin Kaminen, a niece of Rock.

The game of chess is believed to have originated in Asia. The game was apparently popular in Mesopotamia about 4000 B.C.

Gafner, 826 S. 15th St., and the paternal grandparents are Mr. and Mrs. Raymond H. Pakarinen, 505 N. 19th St. Maternal great grandparents are Mr. and Mrs. Emil Neumann, 830 S. 15th St.

By HELOISE CRUSE

Dear Folks: Today, I'm coming in with a smash. And it's another way to save money — a problem that plagues us all.

So many of you have written wanting to know how to take care of good leather purses and how to renew them.

I asked Lucile Bush when she was in our home recently. (Lucile is the Consumer Education Director for one of the largest wax companies in the world.)

Here is what she said: "Good leather purses should always be well cared for. Smooth polished leather (NOT reptile or suede) needs to have a coat of paste wax once in a while. This keeps it soft, puts a good protective film on it and helps preserve the leather."

"I suggest your housewives use a good paste wax, such as is ordinarily used for floors. They will be amazed at the results. (Test an inside spot first, such as the fold on the side of the purse, because a few types of leather are so porous they are easily stained.)"

"Paste waxes on leather bags should be applied sparingly to a small area (no more than one side at a time) and polished IMMEDIATELY with a soft cloth while the wax is moist."

"Most paste waxes used on floors contain coloring to hide scratches in wood, so this type is only for black, navy blue, brown, and other DARK colored purses."

"A few words of caution: "Use only good quality WAX products on shoes and purses, NOT oil furniture polishes."

"Wax gives a hard, dry finish that resists soil and finger marks. Oily finishes are smeary — catch dust, dirt and finger marks easily."

"Very porous leather (extremely soft with an oily feel and low gloss) could be darkened and stained by polishes. On some of these leathers (such as deerskin moccasins) even neutral paste polishes can cause staining. For porous leather follow recommendations of your shoe dealer."

Now, gals, just to test this while she was here, I got out my two-year-old black leather purse. Sure enough, the skin did look dry, scratched and soiled.

I dipped a facial tissue in some beige-colored paste floor wax and applied it to the leather. As I rubbed, the tissue became soiled. I reached for a new tissue and continued until that side of the purse was completely clean and waxed.

GRADUATING on June 3 as a registered nurse from Mt. Sinai Hospital School of Nursing, Milwaukee, will be Miss Ethel MacKnight, the daughter of Mr. and Mrs. Robert MacKnight of Wilson. She is a graduate of Carney High School. She will work this coming year after graduation at Mt. Sinai Hospital.

Improve Teaching

EAST LANSING (AP)—Michigan State University hopes to develop a new approach to teaching the fundamentals of nursing through a grant from the U.S. Public Health Service. The grant allows \$264,681 for three years, including \$94,847 for the first year.

Purpose of the project is to make faculty time more effective by developing programed texts, films, slides, sound tapes and other audiovisual aids which can be used in the classrooms and independent study carrels.

Bake a cake in a square pan and cover the top with white frosting. Mark the frosting off in squares with a piping of melted chocolate. Sprinkle the center of each square with toasted slivered almonds.

LINNEA LINDQUIST, TOWNSHIP CLERK

ELECTOR UNABLE TO MAKE PERSONAL APPLICATION, PROCEDURE

SEC. 504. Any elector who is unable to make personal application for registration because of physical disability or absence from the Township, City or Village in which his legal residence is located, may be registered prior to the close of registration before any regular, special or official primary election, by the Clerk of the Township, City or Village in which is located his legal residence, duplicate registration cards and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths and returning such registration cards to the Clerk of the Township, City or Village on or before the day of such election. The notary public or other officer administering the oath shall sign his name on the line for the signature of the registration officer and designate his title.

TRANSFER OF REGISTRATION, APPLICATION, TIME

SEC. 506. Any registered elector may upon change of residence within the Township, City or Village cause his registration to be transferred to his new address by sending to the Clerk a signed request, stating his present address, the date he moved there, and the address from which he was last registered, or by applying in person for a transfer. The Clerk shall strike through the last address, ward and precinct number and record the new address, ward and precinct number on the original and duplicate registration cards, and shall cause the original registration card to be properly filed. Such transfers shall not be made within (30) days next preceding any election or primary election, (unless such 30th day shall fall on a Saturday, Sunday, or legal holiday in which event registration shall be accepted during the next full working day), and no elector who has not resided (30) days next preceding any election or primary election.

ALFRED P. GROOS, TOWNSHIP CLERK

UNREGISTERED PERSONS NOT ENTITLED TO VOTE

SEC. 491. The inspectors of election at any election or primary election in this State, or in any District, County, Township, City or Village thereof, shall not receive the vote of any person whose name is not registered in the registration book of the Township, Ward or Precinct in which he offers to vote. (As provided under Act 116, P.A. 1954.)

TRANSFER OF REGISTRATION ON ELECTION DAY

SEC. 507. Any registered elector who has removed from one election precinct of a Township, City or Village to another election precinct of the same Township, City or Village shall have the right to make application to have his registration transferred on any election or primary election day by executing over his or her signature for such transfer and presenting the same to the election board in the precinct in which he is registered. Upon receiving such request the inspector of election in charge of the registration records shall compare the signature thereon with signature upon the applicant's registration record and if the signatures correspond then the inspector shall certify such fact upon said request and the applicant for transfer shall then be permitted to vote in such fact upon said request and the applicant for transfer shall then be permitted to vote in such precinct on the day of such election. The application for transfer shall be filed with the Township, City or Village Clerk who shall transfer such voter's registration in accordance with the application. When the name of any street in a Township, City or Village has been changed, it shall be the duty of the Township, City or Village Clerk to make the change to show the proper name of street in the registration records, and it shall not be necessary for the elector to change his registration with respect thereto in order to be eligible to vote.

GOV. GEORGE ROMNEY unwraps a gift of an Indian ceremonial peace pipe presented to him by a group of Mackinaw City businessmen. They visited his office to invite him to attend the re-enactment of the massacre at Fort Michilimackinac, which will be held May 27 to May 30 at Mackinaw City. Pictured from left, Senator Thomas F. Schweigert (R-Petoskey) George Stenkoski as the first Jewish settler; Sebastian Latocha as French Capt. Langley, Governor Romney, Lee Cadwell as the Indian, Kenneth Teyssen as the British captain, Dick Lee as the trapper and Rep. Robert Davis (R-St. Ignace.)

Deer Hunting Success Slips

LANSING (AP) — Michigan hunters killed 91,570 deer during the 1966 gun season on deer, the State Conservation Department's final estimate showed.

The total was 21,260 fewer than in 1965. The department blamed the difference to the fact that fewer permits were issued for hunts of antlerless deer in 1966.

Conservation Men Honored For 25 Years Of Service

Fifty Conservation Department employees with 1,250 of combined state service were honored this week during a special recognition dinner at the Higgins Lake Conservation School.

Among those receiving 25-year service certificates and lapel pins from Director Ralph A. MacMillan and welcomed into the Department's Quarter Century Club were:

Leland R. Anderson, district fish biologist, Newberry; Charles J. Bomaster, district fire supervisor, Escanaba; Oscar C. Jasmin, Harold H. Makinen, George A. McClure, all of the Thompson Fish Hatchery, Manistique; Edward P. Votet, fire officer, Stephenson; Phineas J. Walsh, fire officer, Newberry.

CLASSIFIED ADS COST LITTLE BUT DO A BIG JOB

Are you willing to go as low as \$1795 for a new VW?

We don't sell status.

Just a car. One that gets about 29 mpg, averages 40,000 miles on a set of tires, and hardly uses oil between changes.

Of course, the fact that it's practical is no secret. And everybody is going to know that you're saving money. But that's the price you pay for Volkswagen.

McIntyre Heads State Extension

EAST LANSING—George S. McIntyre has been named director of the Michigan State University Cooperative Extension Service and assistant dean of agriculture and natural resources.

McIntyre, acting director since last July, will replace Dr. N. P. "Pat" Ralston now on leave of absence to serve as deputy administrator of the Federal Extension Service in the U.S. Department of Agriculture, Washington, D.C.

Dr. Ralston has requested that his present leave which ends June 30 be extended for another year in order to continue his federal assignment. Head of the MSU Extension Service since 1959, Dr. Ralston asked to be relieved of his MSU appointment to enable him to accept the USDA post through June, 1968.

McIntyre is a former county agent and dairy specialist for the Extension Service. He returned to MSU in October, 1965, as associate director after 18 years with the Michigan Department of Agriculture.

A native of Dowagiac, he graduated from MSU in 1932, and served as a county agricultural agent from 1932-40. He was then named as dairy specialist for the Upper Peninsula where he worked until appointed deputy director of the state agricultural division in 1949.

From 1953-1965 he was director of the Michigan Department of Agriculture. He has

George S. McIntyre

served on many state and national boards and commissions and is a past president of the National Association of State Departments of Agriculture.

As head of one of MSU's off-campus divisions, McIntyre will direct an educational program that reaches into every Michigan county. Federal, state and county funds support the "cooperative" educational programs in agriculture, marketing, natural resources, family living and 4-H youth work.

A resident of Okemos, the new director and Mrs. McIntyre have three married children.

In Service

Pvt. Wayne V. Platt, 19, son of Mr. and Mrs. Otto M. Platt of Engadine, completed a nine-week marine engine operation and maintenance course at the Army Transportation School, Ft. Eustis, Va. He was trained in the operation of diesel and gasoline engines that power Army cargo ships and boats.

Manistique News

Chiefs Will Play Again

The American Legion baseball team is being reactivated and practices will begin immediately after school ends for the year. Ollie Rehn will be the manager.

The tentative schedule has Schaffer, Powers, Escanaba and Manistique, with possibility of one more team.

Those eligible are those born on or after Aug. 1, 1948.

Two LPNs Will Be Feted At Retirement

Mrs. William McGlynn and Mrs. J. H. Burns will be honored at a retirement dinner May 24. The two have a combined 88 years of nursing service. Special achievement awards from the Michigan LPN association will be presented at the dinner at the Surf at 6:00 p.m. Friends, nurses, hospital personnel and husbands have been invited.

Women Golfers Plan Programs

The women's Wednesday Golf group meets May 24 with Mrs. Archie Carpenter and Mrs. Russell Paquette as hostesses. Reservations should be called by noon Tuesday. Pairings will be arranged by players.

At the first meeting, with officers as hostesses, Mrs. John Kelly, Mrs. Ferd Gorsche and Mrs. William Sheahan won bridge honors.

Plans have been made for a dinner dance June 3, activity day June 11 and an invitational at Highland Clubs, June 21.

Visits Academy

Elwood Erickson, Manistique High school counselor met Pierre LaFollette at the Air Force academy recently as part of a tour arranged by the Air Force for school personnel. Twenty Michigan educators were lifted from K.I. Sawyer AFB and Wurtsmith AFB to Colorado Springs, Col.

Hospital

Admitted to Schoolcraft Memorial Hospital were Alice Steinberger, Linda Hanson, and Judy Polachek.

Discharged were Rheta Eberhart, Henry Stevens and Isabelle Shaffer.

Briefly Told

A reunion meeting of the class of 1952 will be held at the State Savings Bank Conference Room May 22, at 8:00 p.m.

American Drivers To Fill First 15 Speedway Spots

INDIANAPOLIS, Ind. (AP)—American drivers will fill the first 15 spots in the record-smashing 33-car field of the 51st 500-mile auto race May 30 at the Indianapolis Motor Speedway.

But they'll know some never-quit European Grand Prix drivers will be charging up from far back in the field.

Mario Andretti of Nazareth, Pa., defending U.S. Auto Club champion, took speed honors with 168.982 miles per hour and the \$2,200 top qualifying prize in 10-mile elimination runs concluded Sunday.

The only unfinished business is a protest that the car of Jochen Rindt of Austria was below the weight limit. The pro-

test was filed by J. Marshall Robbins, owner of the car driven by Lucien Bianchi of Belgium.

The drivers from the world road racing circuit took the applause for sheer determination.

Graham Hill of London, the 1966 Indianapolis winner, will have to start in the last row but it appeared unlikely he would be in the lineup at all. He used two Lotus Fords and a garage full of engines before qualifying at the third-slowest speed of 163.317 m.p.h.

Jackie Stewart of Scotland, who had the last row until his engine failed with 25 miles to go, was "bumped" from the lineup after qualifying at a too-slow 162.221. He broke a con-

necting rod Sunday morning in his backup Lola-Ford but got a new engine and made the field at a brisk 164.099.

Rindt, of Vienna, also had to qualify two cars before sticking in the lineup. He finally made it in an Eagle Ford at 163.051. He was No. 2 in the Grand Prix races last year.

The protest against Rindt said his car was below the 1,300-pound limit for Speedway cars. U.S. Auto Club officials impounded the car and said it will be weighed today.

Bianchi's car is the first alternate for the race. If Rindt's car was disqualified because of the weight, Bianchi's car would be inserted in the starting lineup.

Roger McCluskey of Tucson, Ariz., who also was stopped by engine trouble on the first qualifying weekend, was fastest qualifier of the last two sessions with a run at 165.563 Saturday in an Eagle-Ford.

Dan Gurney, international racer from Santa Ana, Calif., came out of the trials doubly happy. His qualifying speed of 167.224 was second only to Andretti's record and six of his All American Eagle cars made the lineup.

Four Lotus Fords, four Gerhardt turbocharged Offenhausers and three Gerhardt Fords were the only challengers of the Gurney vehicles. The Eagles are an American version of the Lotus.

The final field averaged 164.173 m.p.h., against the 1966 record of 160.251. It contains only five rookies, against the record low of four first-time starters in 1960.

Dave Stockton Wins Top Prize At Fort Worth

FORT WORTH, Tex. (AP)—Dave Stockton says you have to profit from your mistakes, especially in this business of playing golf for money.

After the black-haired young man from San Bernardino, Calif., won the \$115,000 Colonial National Invitation Sunday with a closing three-over-par 73 and 278 for 72 holes—a two-stroke triumph—he called to mind what happened to him in the final round at Greensboro, N. C., this year.

"I hit a lot of fine practice shots and then on the first hole snap hooked my tee shot for a double bogey," he related, fur-

rowing his brow at the memory. "I never could recover."

He and George Archer had entered the final round tied for the lead and boasting a six-stroke bulge over the field. Archer shot a 68 to win the tournament, Stockton skidded to a 74.

Stockton said he kept thinking about his mistakes and decided he wouldn't ever do that again. "I had to be relaxed if I won," he related.

He was facing the same situation that he did at Greensboro—he was tied with Tom Weiskopf for first place entering the final round.

Weiskopf passed Stockton on the first hole and increased his lead to two strokes on the second. But Weiskopf then took two straight bogeys and when he double bogeyed five he was a stroke behind although Stockton had lost two strokes.

From there on Weiskopf wasn't a threat. He shot an 81 for 286 and a tie for 11th place.

Charles Coody, Ben Hogan and Archer threatened down the stretch but Stockton didn't let the bad shots and bogeys bother him.

Coody closed with the only sub-par round of the day—a 69 and won second place with 280 for 72 holes.

Hogan, the old master making a great bid for his first tournament victory in eight years, faltered in the final holes for 73 and 281 and a tie with Archer for third place. Archer had a closing 72.

Gay Brewer, the tournament favorite, had 288 and Arnold Palmer, another big name, wound up with 284. Jack Nicklaus could do no better than 285.

Kaline Is Off To Best Start In His Career

DETROIT (AP)—In 13 seasons with the Detroit Tigers, Al Kaline never has seen the American League pennant fly over Tiger Stadium.

But the Tigers are one of the favorites this year and Kaline, off to the best start of his career, is a major reason.

"We've got a great shot at it," he says, his blue eyes sparkling. "Our pitching is awfully tough."

Kaline is tough, too.

The 32-year-old outfielder has hit safely in 29 of 32 Detroit games. He leads the league in batting (.361), runs batted in (29) and is tied with teammate Bill Freehan for the home run lead at nine.

"I was supposed to play only one game Sunday," said Kaline.

"But we had a 7-0 lead and I asked Mayo to take me out. I figured I could play the second game that way."

Tigers' Manager Mayo Smith complied, and Kaline, who had two RBIs in the first game against New York, came through with a two-run homer in the nightcap, tying the score at 5-5.

"I think I hit a slider," said Kaline. "I was just trying for a sacrifice fly."

Kaline twisted his right leg stepping in a soft spot on a wet outfield in Washington last week and left the game after five innings.

It was one of his three hitless games this year.

"The leg doesn't bother me," he said after the Tigers split the twinned with the Yanks, winning the first 9-4 and losing the second 6-5.

"I haven't hit the ball real good this week, but it's been falling in for hits," he added. "I hit a couple of good shots Sunday."

Kaline says he gets tired in doubleheaders and Smith has said he would rest the hard-hitting outfielder in second games.

"I can still run and field okay," said the soft-spoken outfielder. "But my arms get tired in the second game and feel like lead. I can't swing the bat."

"That's what suffers, the hitting," he added.

"I've never learned to take it easy in the outfield, either," he said. "If I could just relax like some of these guys do."

"But I get so keyed up, I want to catch everything out there." "If we lose," he said, "I don't want it to be me that caused it."

That's why a murmur of concern rippled through the stands when Kaline left the first game of Sunday's doubleheader after slamming a double in the fourth inning for his second hit.

The Belmont winds up the Triple Crown for 3-year-olds. Damascus saw to it Saturday with his authoritative victory in the Preakness that is another year without a colt sweeping it. Citation was the last to win all three 19 years ago.

The triumph put Damascus firmly back in the running for election as the best 3-year-old of 1967. It was by 2 1/4 lengths over In Reality and 6 1/4 over Proud Clarion, the Kentucky Derby winner.

The time of 1:55 1/5 for the 1 1/2 miles was only three-fifths

DETROIT TIGER catcher Bill Freehan puts his head down and plows into home plate, scoring from second base in seventh inning of game at Detroit Saturday. Freehan came in on Al Kaline's single to right. Yankee catcher Jake Gibbs lost the ball when he was upset by Freehan. Tigers won, 3-1. (AP Wirephoto)

Tigers Inch Closer To League Leaders

DETROIT (AP)—Earl Wilson "didn't have much stuff," and Joe Sparrma was "flat," but the Detroit Tigers inched closer to American League-leading Chicago by splitting a doubleheader with the New York Yankees Sunday.

Wilson won the first game, his fifth victory, with tight relief pitching from Fred Gladding and a pair of solo home runs off the bat of Dick McAuliffe.

New York took the nightcap 6-5, ending a four-game Detroit winning streak and snapping a Yank losing string at five. Detroit's split, combined with Chicago's 5-4 loss to Kansas City, left the Tigers 11 percentage points out of first place.

"I didn't have much stuff," said Wilson who shut out the Yanks for six innings before a pair of two-run homers by Horace Clarke and Mickey Mantle bounced him from the game.

"In the seventh, I lost what little bit I had," added Wilson. "On the pitches to Clarke and Mantle, I put both pitches exactly where I didn't want to put them."

Gladding was strong in relief, fanning four of the 10 batters he faced. It was his sixth save of the season.

Al Kaline drove in two runs and rapped two hits before leaving the first game for a wind knocked out of him.

pinch-runner after hitting a double in the fourth.

Kaline said Manager Mayo Smith had told him he would play only one game.

"We were seven runs ahead, so I asked him to take me out," said Kaline. "I figured I could play the second game."

Kaline drove home one run on a sacrifice fly in the first inning. Yankees starter Whitey Ford left the game with a sore elbow and Detroit jumped on reliever Jim Bouton for five runs in the second. Bill Freehan cracked his ninth homer.

Four straight hits, a walk and Mantle's two-run, bases-loaded error accounted for the other four runs.

McAuliffe slammed his homers in the fourth and eighth innings.

"I'm off to my best start in home runs," said McAuliffe, who has seven this year. "But my second year up I was leading the league in hitting for two months — over .400 I think."

Willie Horton, who blasted a homer in each game, gave the Tigers a scare when he crashed into the left field wall chasing Joe Pepitone's double in the fourth inning of the opener.

Horton collapsed in a heap but recovered and played both games.

"I thought he was hurt bad," said Smith. "But he just had the wind knocked out of him."

Horton said, "I heard my back crack but I knew I was going to be all right."

Horton smacked his first homer, in the eighth inning of the first game, on a slider off Dooley Womack.

"I didn't hit it real good," said Horton. "It hurt my hand, bruising the bone on my thumb."

Horton's second homer, a three-run shot in the first inning of the nightcap, staked Sparrma to a 3-0 lead. But he couldn't hold it.

"He was flat," said Smith, "and his control was bad."

Sparrma gave up four hits, including a bases-loaded triple to Tom Tresh and a walk when New York scored five runs in the third to take a 5-3 lead.

A two-run homer by Kaline tied the score in the fifth.

Larry Sherry, Detroit's top relief pitcher last year, took the loss in the second game. He came on in the eighth inning and dished up singles to Steve Whitaker, Charlie Smith and Ruben Amaro.

New York's Steve Hamilton, who relieved starter Fritz Peterson in the seventh, got the victory, shutting out the Tigers over the last three innings.

The Tigers are idle today and open a three-game series with the Boston Red Sox Tuesday night.

Women Golfers Run Into Rain

BEAUMONT, Tex. (AP)—With more inclement weather indicated, the Ladies Professional Golf Association waited to decide today whether to cut short the scheduled 54-hole Babe Zaharias Open.

After rain prevented playing the second round Saturday and flooded the back nine of the Bayou Din Golf Club Sunday, the golfers toured the front side twice to get in 18 holes. That made par for the second round 72 instead of the usual 70.

Kathy Whitworth took a one-stroke lead over first-round leader Marilyn Smith by firing a three-under-par 69 despite chilly 20-mile-an-hour winds, 65-degree temperature and generally poor playing conditions. She has 139 for 36 holes.

Another stroke back with 141 was Sandra Haynie, the leading money winner who has yet to win a tournament this year. Defending champion Shirley Englehorn was fourth with 143.

Jo Ann Prentice, who won her first tournament in three years last week in Dallas, was disqualified Sunday for failing to record her score on the 18th hole.

At Ann Prentice, who won her first tournament in three years last week in Dallas, was disqualified Sunday for failing to record her score on the 18th hole.

Sholty Big Man In Racing Ranks

Esky First In Regional, Boyle, Miller Standouts

The Escanaba Eskymos flashed their balance and depth here Saturday to overpower the Class A-B field in the annual regional track and field meet which sets the stage for the Upper Peninsula finals at Marquette May 27.

The Eskymos captured seven firsts and piled up 70 points to leave Gladstone a distant runnerup with 48½. Holy Name was third with 30 points, Menominee fourth with 27½.

A pair of standout senior athletes gave the Eskymos a pair of individual victories. Jim Boyle, shaking off the effects of a knee injury suffered last week in a meet at Iron Mountain, outclassed the opposition in the high hurdles and low hurdles, placed second to teammate Allen Berg in the long jump and ran the opening leg on the winning 880 yard relay team.

Paul Miller leaped 6 feet 11½ inches in the high jump and upset Holy Name's Jim Groos in the 100 yard dash, zooming home in 10.35 for one of the fastest centuries in the U.P. this spring. Miller added a fourth in the shot put and also ran a leg on the 880 relay unit.

Berg, a sophomore, won the broad jump at 19 feet 5½ inches and was runnerup to Miller in the high jump.

John Vardigan gave the Eskymos a first in the pole vault at 12 feet 2 inches, only three inches under the Upper Peninsula Class A-B record.

One of the outstanding performances in the meet was turned in by Menominee's Gordon Pekuri, a sophomore distance phenom. Pekuri churned the grueling two mile run, new in U.P. track circles this season, in 10:11.4, far below anything recorded in the region thus far.

Gladstone's Roy DeWitt uncorked a toss of 51 feet 7 inches in the shot put, best in the U.P. this season. Bob Brisco of Holy Name launched a throw of 51 feet 5¼ for second.

Boyle skimmed the highs in 15.3, a tenth of a second under the U.P. mark. His time in the lows was 20.6, a shade over the Class A-B record of 20.4. He jumped 19 feet ¼ inch, just enough to qualify without risk-

ing further injury to his knee. Groos stormed home in the 220 yard dash in 23.5 seconds while Tom Smith added a first for Holy Name in the 440 yard dash.

Gladstone had three other first place winners. Steve

Schram cracked off a 2:05.2 time and Dean Culliton a 2:07.6 clocking in the two 880 sections and Dan Gobert nipped Escanaba's Jim Olsen at the wire in a 440 run.

Summary: Points - Escanaba 70, Glad-

stone 48½, Holy Name 30, Menominee 27½.

Shot put - DeWitt (G), Brisco (HN), Johnson (E), Miller (E), 51-7.

Pole vault - Vardigan (E), Brisco (HN), Swenson (G), tied for fourth Gokcy (M), Dion (M) and Swenson (G), 12-2.

Long jump - Berg (E), Boyle (E), Smith (M), Michaeu (G), 19-5½.

880 relay - Escanaba, Holy Name, Gladstone, Menominee 1:35.45.

High jump - Miller (E), Berg (E), O'Leary (E), Brisco (HN), 6-1¼.

2 mile - Pekuri (M), Hasse (M), Swenson (E), Jurmu (E), 10:11.4.

High hurdles - J. Boyle (E), T. Boyle (E), Nelson (G), McKash (M), 15.3.

880 First section - Culliton (G), Anderson (E), Young (G), Steward (M), 2:07.6.

880 Second section - Schram (G), Kell (E), McMillan (E), Spies (M), 2:05.2.

440 First section - Smith (HN), Dufresne (M), Palmquist (E), LaCosse (G), 54.8.

440 Second section - Gobert (G), Olsen (E), Lerret (M), Prev (HN), 55.6.

100 - Miller (E), Groos (HN), Lorenson (G), Michaeu (G), 10.35.

220 - Groos (HN), Lorenson (G), Young (HN), Michaeu (G), 23.5.

880 relay - Gladstone, Menominee, Escanaba, Holy Name, 1:35.45.

Low hurdles - J. Boyle (E), Nelson (G), T. Boyle (E), Cannon (HN), 20.6.

JIM BOYLE shrugged off the handicap of a knee injury sustained in a triangular meet at Iron Mountain last week to capture a pair of victories in the high and low hurdles in the Class A-B regional meet here Saturday. He is shown stepping a low enroute to a 20.6 clocking in the event. (Daily Press Photo)

Yanks Break Loss Streak

By The Associated Press
Somewhere in the midst of all the hitting that was going on at Tiger Stadium Sunday, there was Mickey Mantle's 50th career home run. Except to Mickey, it could hardly have mattered less.

But on a doubleheader afternoon during which some eight home runs were hit, it was a mere single, hit by Ruben Amaro, that pulled the Yankees out of a four-game losing streak and gave them one game of solace after three of grief against Detroit.

The Tigers hammered four home runs—two by Dick McAuliffe—in winning the opening game 9-4. When Willie Horton blasted a three-run shot in the first inning of the second game, his second of the afternoon, the 44,862 fans in attendance might have been forgiven for their thoughts of ending the day in first place.

But the Yankees came pecking back, tied the score on a three-run triple by Tom Tresh in the third and added two more in the same inning on singles by Joe Pepitone and Charlie Smith.

But then, boom, Al Kaline hit another one out, tying the score at 5-5 and that's the way it stayed until the eighth. Steve Whitaker and Smith then singled and then Amaro dropped a single into left field, winning the game 6-5.

Detroit stayed in second place, 11 percentage points behind Chicago.

In other American League games, Boston swept a pair from Cleveland 4-3 and 6-2. Minnesota crushed California 12-3 and Kansas City outlasted Chicago 5-4.

George Scott's two-run homer capped a four-run eighth inning in the Red Sox victory in the first game. Carl Yastrzemski

tripled in two runs in the same inning. Darrell Brandon won his first game of the season in the nightcap, giving up the only Indians' runs on pitcher Sam McDowell's two-run homer in the third.

Cesar Tovar hit a pair of home runs and two doubles to drive in four runs for Minnesota. Harmon Killebrew and Bob Allison also homered in the Twins' slugfest. Dave Boswell struck out 11, squaring his record at 1-1.

With two out in the third, Kansas City came up with six straight hits and four runs to beat the White Sox. Chicago scored twice in the ninth, but Jack Aker saved the victory for Jim Nash by getting Don Buford to ground into the final out.

in the fourth inning. In other NL games Philadelphia edged Cincinnati 2-1 in 18 innings. St. Louis nipped New York 3-2. Houston blanked San Francisco 2-0 and Los Angeles downed Chicago 6-1 before bowing 8-2.

In the American League Kansas City topped Chicago 5-4. Boston swept Cleveland 4-3 and 6-2. Minnesota clobbered California 12-3 and New York nipped Detroit 6-5 after losing 9-4. Rain washed out Baltimore at Washington.

Don Lock's two-out, run-scoring single in the 18th inning ended the four-hour and 38-minute contest between Philadelphia and Cincinnati. Rich Allen scored on the hit after walking and moving to second on a ground out. Dick Hall blanked the Reds on four hits in the last six innings.

Home runs by Roger Maris and Lou Brock powered St. Louis past New York. Cleon Jones homered for the Mets.

Mike Cuellar survived a couple of late-inning threats and preserved his shutout over San Francisco. The Astros got just three hits off Mike McCormick, but they all figured in the scoring. Chuck Harrison doubling in one run and Bob Aspromonte homering for the other.

Willie Davis drove in three runs with an eighth-inning homer and a ninth-inning single as Los Angeles rallied for a first-game victory over Chicago. Davis' homer capped a four-run outburst in the eighth.

Ron Santo and Ferguson Jenkins combined to bring the Cubs back in the nightcap. Santo rapped a homer, a double and a single while Jenkins limited the Dodgers to three hits. Santo's single started a four-run rally in the fourth, and his double ignited a three-run outburst in the fifth.

Aaron, on the other hand, soared to .326 with his performance and raised his homer total to 11 and his RBI output to 29.

And to top off his exhibition, Aaron—who doesn't have the great arm Clemente has—threw out the Pirate star as he tried to go from first to third on a single

in the fourth inning. In other NL games Philadelphia edged Cincinnati 2-1 in 18 innings. St. Louis nipped New York 3-2. Houston blanked San Francisco 2-0 and Los Angeles downed Chicago 6-1 before bowing 8-2.

In the American League Kansas City topped Chicago 5-4. Boston swept Cleveland 4-3 and 6-2. Minnesota clobbered California 12-3 and New York nipped Detroit 6-5 after losing 9-4. Rain washed out Baltimore at Washington.

Don Lock's two-out, run-scoring single in the 18th inning ended the four-hour and 38-minute contest between Philadelphia and Cincinnati. Rich Allen scored on the hit after walking and moving to second on a ground out. Dick Hall blanked the Reds on four hits in the last six innings.

Home runs by Roger Maris and Lou Brock powered St. Louis past New York. Cleon Jones homered for the Mets.

Jerry Richer Wins Feature For Modifieds

The first Saturday night racing program at the fairgrounds track drew a crowd of 2,000 spectators in spite of cold weather.

Winner of the 20 lap feature for modifieds was Jerry Richer of Schaffer who was followed at the finish by Ken Iverson of Escanaba and Art Richer of Schaffer.

Bob Derouin of Escanaba won the feature for sportsman class racers while Dick Peterson of Escanaba was second and Bud Schute of Ironwood third in the 20 lap event.

Jerry Richer was first in time trials for modifieds with a 20:25 clocking while Derouin led the sportsman cars with a 23:72 time.

The three sportsman heats were won by Duke Gardiner of Escanaba, Jim Peterson and Schute. The two modified heats were capped by Art and Jerry Richer.

Aaron Explodes As Braves Whip Pittsburgh, 7-2

By The Associated Press
Hank Aaron heard he was only second best so he figured he'd better try harder.

That was the witty explanation Aaron had Sunday for his prolific day at the plate in which he lashed two homers, two singles, drove in four runs and scored three as Atlanta whipped Pittsburgh 7-2.

The Braves' right fielder referred to a controversy touched off by an Atlanta baseball broadcaster involving a comparison between Aaron and the Pirates' right fielder, Roberto Clemente.

Introducing Clemente at a Braves' booster club luncheon last Friday, broadcaster Milo Hamilton said:

"We all know how great Hank Aaron is and what he has done, but when it comes to making the All-Star selection, right there is the right fielder." Hamilton wasn't pointing to Aaron. He was indicating Clemente.

"I played left field in the All-Star Game because Walter Alton asked me if I'd mind playing there," Aaron said upon hearing about Hamilton's words. "I could have played right field if I had wanted to because I got more votes than anybody out there."

Going into Sunday's game, Clemente was showing why Hamilton and numerous others think so highly of him. He was batting .402 with seven home runs and 27 runs batted in. However, he went zero-for-four, and his average dipped to .388.

Aaron, on the other hand, soared to .326 with his performance and raised his homer total to 11 and his RBI output to 29.

And to top off his exhibition, Aaron—who doesn't have the great arm Clemente has—threw out the Pirate star as he tried to go from first to third on a single

in the fourth inning. In other NL games Philadelphia edged Cincinnati 2-1 in 18 innings. St. Louis nipped New York 3-2. Houston blanked San Francisco 2-0 and Los Angeles downed Chicago 6-1 before bowing 8-2.

In the American League Kansas City topped Chicago 5-4. Boston swept Cleveland 4-3 and 6-2. Minnesota clobbered California 12-3 and New York nipped Detroit 6-5 after losing 9-4. Rain washed out Baltimore at Washington.

Don Lock's two-out, run-scoring single in the 18th inning ended the four-hour and 38-minute contest between Philadelphia and Cincinnati. Rich Allen scored on the hit after walking and moving to second on a ground out. Dick Hall blanked the Reds on four hits in the last six innings.

Home runs by Roger Maris and Lou Brock powered St. Louis past New York. Cleon Jones homered for the Mets.

DALE MORIN was one of two double winners for the Rapid River Rockets who took top honors in the Class D regional track meet at the EHS field Saturday. Morin is shown topping a hurdle in the 120 highs. He also won the 180 lows. (Daily Press Photo)

Rapid River Track Champ

Coach Bernie Olson's Rapid River Rockets successfully defended their Class D regional track and field championship here Saturday, topping a field of seven teams with 60½ points.

The Rockets dominated the meet by winning six events and earning points in everything except the two mile run. Cooks was runnerup in the team standings with 37 points.

The top single performance in the meet was turned in by Dan Johnson who uncorked a prodigious toss of 50 feet 3½ inches. The husky senior surpassed the existing Upper Peninsula Class D record by almost five feet.

Dan Morin was a double winner for the Rockets in the high and low hurdles and placed second in the high jump. Dan Safford also topped two events for Rapid River, winning the long jump and a section of the 440 yard dash. The Rockets took the 880 relay for their sixth first.

Cooks came through with two triumphs, Neil Hartman winning the pole vault and Lyle

Reid the two mile run. Perkins produced a double winner in muscular Wally Sparks who copped the 100 and 220 yard dashes while Gary Simonsen took the mile and Frank Leach the half mile.

Bark River came through with three firsts as Pat Sagataw won the 440, Felix Sackch the high jump and the Bronco mile relay team broke the tape in 3:54.

Summary: Points - Rapid River 60½, Cooks 37, Perkins 32, Bark River 19½, Garden 12, Rock 2, Carney 1.

Shot put - Johnson (RR), Pyke (RR), Lippens (R), Sharkey (P), 50-3½.

Pole vault - N. Hartman (C), Swagart (C), T. Sagataw (BR), Chase (RR), 10-6.

Long jump - D. Safford (RR), T. Safford (RR), Carley (C), Novak (RR), 18-5¼.

880 relay - Rapid River, Cooks, Garden, Perkins, 1:41.9.

High jump - Sackch (BR), Morin (RR), Thelander (C), K.

Bulldog Sprinters Set Pace In Track Victory

Rudyard unveiled a crew of speedsters here Saturday to capture top honors in the Class C regional track and field meet.

The Bulldogs piled up 67 points to dethrone Stephenson as regional champion. The Eagles were second with 38.

Steve Stutz, Steve Hoppes and Ron Foster were the key men in Rudyard's surge to the team title. Stutz zipped home first in the 100 and 220 yard dashes. Hoppes was second in the 220, third in the 100 and second in the long jump. Foster was third in the 220 and fourth in the 100. They teamed up for a victory in the 880 yard relay. The combined efforts produced 26 points.

On came through with a pair of individual winners as Duane Lord topped the pole vaulters at 11 feet 2 inches and Ron Stroumen hit the tape in the two mile run in 10:35.

Summary: Points - Rudyard 67, Stephenson 38, Norway 24, Marquette Baraga 20, St. Ignace 16.

Shot put - Brouillet (R), Asp (N), Vielmetti (N), Savard (St. I), 46-5.

Pole vault - Lord (S), Leaner (MB), Mastie (N), Wieberg (S), 11-2.

Long jump - McGee (MB), Hoppes (R), Mulzer (S), Kneale (St. I), 18-10.

880 relay - Rudyard, Marquette Baraga, Norway, St. Ignace, 1:38.2.

High jump - McGee (MB), Dougovito (S), Kneale (St. I), Gundersen (S), 6-1¼.

2 mile - Stroumen (S), Komper (R), Riness (R), McMonce (St. I), 10:35.

High hurdles - Lucas (R), Pionet (S), App (N), Hicks (MB), 17-0.

880 - Owens (R), Lemon (R), Dougovito (S), McGroo (N), 2:10.7.

200 First section - Kaczak (N), Hawk (St. Ignace), Sweeney (St. I), Hurliman (MB), 57.75.

410 Second section - Goske (R), Alexejun (S), Hume (MB), Nault (N), 55.8.

100 - Stutz (R), Tomasoski (N), Hoppes (R), Foster (R), 10.6.

Low hurdles - Gircherio (St. I), Lucas (R), Picord (S), Conrad (N), 22.25.

220 - Stutz (R), Hoppes (R), Foster (R), Nelles (MB), 23.8.

880 relay - Rudyard, Stephenson, Norway, St. Ignace, 1:39.7.

Individual Gladstone results: Tom Stade 47-46-93, Mike Maki 47-44-91, Leroy Cook 54-52-106, Dick Quinn 46-51-97, Mike Damitz 50-53-103, Cliff Fossie 55-44-98, Scott State 54-52-99, Robert Pike 54-52-106, Jim Balding 53-51-104, Francis Kearney 48-49-97, Dan Pepin 59-50-109, Bill Lass 54-56-110, Nolan Strom 54-50-104, Joe Catveris 49-47-96.

440 First section - D. Safford (RR), Sackch (BR), N. Hartman (C), Watchorn (G), 37.8.

440 Second section - P. Sagataw (BR), Gudner (P), Novak (RR), M. Carley (C), 56.3.

100 - Sparks (P), Farley (G), T. Safford (RR), Swagart (C), 11.2.

Low hurdles - Morin (RR), Lewandowski (G), K. Safford (RR), McNutt (P), 22.8.

220 - Sparks (P), Farley (G), T. Safford (RR), Swagart (C), 24.8.

880 relay - Bark River, Perkins, Rapid River, Cooks, 3:54.

High jump - Sackch (BR), Morin (RR), Thelander (C), K.

Bill Campbell Is Man To Beat

SANDWICH, England (AP) — Bill Campbell emerged from America's triumph over the British Isles in the Walker Cup with an unruffled glory that gave him the edge over every other contender for the British Amateur Golf Championship next week.

Campbell, 44-year-old veteran from Huntington, W.Va., wants that title badly—and on current form he's the man to beat.

The British Amateur begins May 29 at Formby near Liverpool in the north of England. And the prospects are that if Campbell doesn't win, the victor will be another member of the U.S. Walker Cup squad.

The 10-man team battled sea winds and rain Friday and Saturday to retain the trophy 13-7 with four matches halved. It was the 19th American victory in 21 Walker Cup contests. The British have won once and tied once in a series that is a major source of depression in the home of golf.

Campbell, criticized for playing too slowly but nevertheless maintaining total command in every department of the game, won all four of his matches. Since he began playing in the Walker Cup in 1951 he never has lost in the singles.

As for that British Amateur title next week—"I want it so much I can nearly taste it," he said.

Former Piston Cager Finds Pitching Form For Richmond Braves

By The Associated Press
Right-hander Bill Reed is back in form, and there could scarcely be any happier news for the Richmond Braves, who're struggling to escape the International League's second division.

Until Sunday, Reed—who plays pro basketball for the Detroit Pistons in the NBA in the off season—was one of the IL's spring enigmas. The 6-foot-6 fastballer had figured to be a big winner, but hadn't won a game in three decisions.

All that is changed now. In the seven-inning second game of a Sunday twin bill against Toledo, Reed spun a one-hitter as the Braves won 4-0 to salvage a split with the Mud Hens.

The Braves' blessings were not unmixed, however, for in

the opener, Toledo had inflicted the first defeat on right-hander Ed Rakow, banging out 11 hits in an 8-1 runaway. Rakow had completed and won four games.

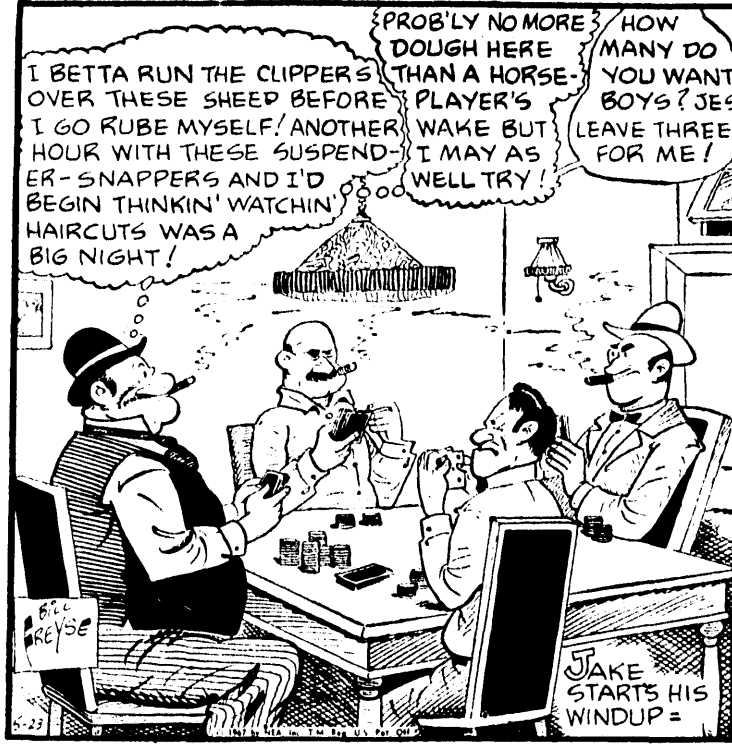

In other Sunday action, Rochester kept its league lead by edging Buffalo 4-3 after the Braves had won the opener of their double bill, 3-1. Syracuse took over second place by sweeping Toronto, 9-8, 1-0, and Jacksonville evacuated the basement by clipping Columbus, 4-3.

Tom Matchick's second-inning single was Toledo's only hit off Reed at Richmond. Ed Pacheco's three-run homer paced the second-game Brave victory. In the opener, first sacker Ike Brown knocked in six runs for the Mud Hens with a triple and two singles, and Dave Campbell homered.

They Are Taking Moo From MSU

By JACQUELINE KORONA
EAST LANSING — (AP) — They're taking some of the moo out of Moo U.

The Michigan State University dairy store, long a favorite ice cream and cheese-buying spot for students and alumni, will close July 1.

Officials say the closing is for "redirection of the dairy plant program of the Department of Food Science."

Dairy store customers say it's sad. They won't be able to buy ice cream cones—two scoops for 15 cents—or that delicious cheese-like confection called frumil or milk and butter produced for campus consumption.

Five years ago the store sold 400-500 ice cream cones a day. The total leaped to the current 1,200-1,500 cones a day as more and more students trooped to new class buildings on the south campus.

But those same students, about 38,000 now enrolled at Michigan State, are part of the reason for the store's closing. The dairy plant produces milk and related items for the MSU dormitories. That takes its of bulky equipment and manpower.

Turn To Teaching

But those same students, about 38,000 now enrolled at Michigan State, are part of the reason for the store's closing. The dairy plant produces milk and related items for the MSU dormitories. That takes its of bulky equipment and manpower.

Blackmail Scheme Laid To Student

DETROIT (AP)—Seventeen-year-old Richard Habib, high school honor student and football player, will stand trial in Recorder's Court on an extortion charge.

Police say Habib attempted to extort \$10,000 from a suburban grocer in what they described as an elaborate blackmail scheme. Habib waived examination and was allowed to remain free on bond.

Housing Grant

WASHINGTON (AP)—Marquette has been granted a \$2 million loan from the Department of Housing and Urban Development to build 140 low-rent homes for the elderly, it was announced here.

Gladstone News

Briefly Told

State Police of the Gladstone Post issued a traffic summons to Robert Kivela, Marquette, no registration or proof of insurance.

Mrs. Dan Garbe, Rte. 1, Escanaba, reported to State Police that her home was entered sometime between 8 p.m. and midnight Saturday, but apparently nothing was taken. Officers are investigating.

A car driven by Edward W. Ramberg, 46, of Iron River, struck a deer on County Rd. 569 in Harris Township, Menominee County, Sunday morning. State Police report. Ramberg was not injured.

Four Delta County residents arrested by U.S. Forest Service authorities have each paid \$10 fines and \$430 costs before Justice Ross Davis after pleading guilty to charges of burning without a permit. Paying fines were James Muffler, Rte. 2, Rapid River; Mrs. George Anderson, Rapid River; Paul Stock, 505 Montana Ave., and Henry Frost, 1020 S. 18th St., Escanaba.

Duane C. Petrovich, 18, of 553 N. 11th St., was arrested by Gladstone Police over the weekend and charged with being a minor in possession of intoxicants. He was also given a traffic summons for failing to stop for a red traffic light.

Gladstone police also ticketed David H. Lamberg, 505 N. 11th St., speeding, and Donald F. Richer, Rte. 2, Bark River improper use of registration plates and no registration or proof of insurance.

NOTICE TO BIDDERS

Sealed bids will be received by the City of Escanaba at the office of the City Clerk, Escanaba, Michigan, on or before 8:00 P.M. (EST) June 1, 1967, for the furnishing of Diesel Fuel and Fuel Oil, to be delivered as needed and requested during the fiscal year July 1, 1967 to June 30, 1968.

Bids will be publicly opened and read at the regular Council meeting to be held on said date.

Bidder's Proposal forms may be obtained from the City Clerk's Office. No bid will be considered unless the proposal form furnished by the City is properly completed and enclosed in an envelope marked "Fuel Oil and Diesel Fuel Bid" to be opened June 1, 1967.

A certified check or cashier's check, or bidder's bond, drawn payable without condition to the City of Escanaba, Michigan, in an amount not less than Three Hundred (\$300.00) Dollars, shall be submitted with each proposal as a guarantee that if the bid is accepted, the bidder will furnish materials or services as stated in the proposal. On failure of the successful bidder to fulfill the conditions of his proposal, he shall forfeit the deposit to the City of Escanaba as liquidated damages, and the acceptance of the proposal will be contingent upon the bidder's agreeing to this provision.

The City of Escanaba reserves the right to reject any or all bids, and to waive any irregularities in the bidding.

Tenth Year Of Birth Decline

LANSING—Births continued to fall in the first three months of 1967 according to the Michigan Department of Public Health, with a decrease of 211 births from the same period last year. A total of 35,523 births were registered from January through March of this year as contrasted to 35,734 in 1966. This year's figures show an even sharper decline from 1965, when 36,722 births were reported for the first three months. If the downward trend continues through 1967, it will represent the 10th consecutive year that births have fallen in Michigan.

Science Grant

DETROIT (AP) — Wayne State University will get \$919,000 from the National Science Foundation, the university has announced. The money, from the foundation's science development program, will be used to improve the WSU Chemistry Department, officials said.

Many Fear Night In Home Areas

FINT (AP) — Fear is the biggest factor in the increasingly dangerous streets around the nation, U. S. Sen. Philip A. Hart, D-Mich., said here.

"We cannot expect people to be reassured by statistics showing that violent crime is not soaring," Hart said.

Hart said one out of every three people in the United States is afraid to walk in his own neighborhood at night.

Duffy Honored

EAST LANSING (AP) — Duffy Daugherty, Spartan football coach, will be one of three Michigan State University employees to be honored Wednesday for "distinguished service as spokesmen for Michigan." Also to be cited in a ceremony at the Capitol are Virginia Baird, assistant MSU news editor, and Richard Gringhuis, staff artist at the MSU Museum.

\$150,000 Award Made By Jury In Crash Suit

MARQUETTE — A \$150,000 judgement in an auto negligence suit has been awarded to Dr. Atwood A. Campbell of Harvey, retired Marquette Prison dentist, by a Circuit Court jury.

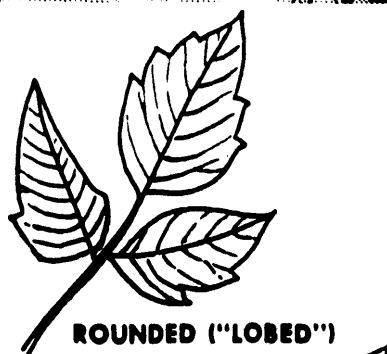

The award is believed to be the largest ever granted in a civil case in the Upper Peninsula.

Campbell had asked \$332,000 damages from the Menze Construction Co. and Carl P. Menze of Marquette for whip-lash injuries allegedly received March 24, 1966, when his car was struck from the rear by a pickup truck driven by Menze on U. S. 41 near the Carp River bridge. The jury deliberated about 2 1/2 hours.

Represent U.S.

DETROIT (AP) — Two Detroit high school students have been chosen by the Thomas Alva Edison Foundation to represent the United States in Brussels, Belgium, Wednesday at the Edison Science Youth Day. They are Odie Smith, 16, a senior at Eastern High School, and Samuel Kennedy, 15, of Royal Oak, a sophomore at Detroit's Catholic Central High School.

3 Leaves Mean Trouble!

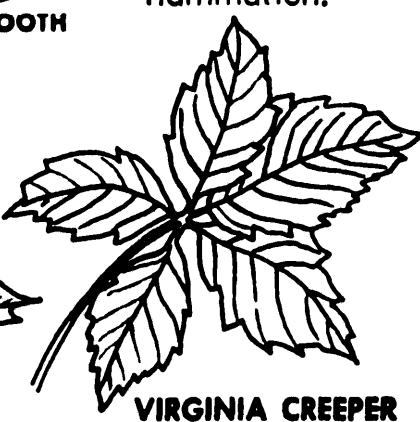

ROUNDED ("LOBED")

SMOOTH

TOOTHED

VIRGINIA CREEPER

The edges of common poison ivy leaves may vary, as shown above. Virginia creeper is sometimes mistaken for poison ivy, but it has five leaves per cluster.

Like the youngsters listening to their instructor in an outdoor classroom at Washington, D.C., all hikers, campers and picnickers would do well to recognize that old summer nemesis, poison ivy. It may grow low on the ground or dangle from a tree trunk, like the one at right. Wherever it is, it is recognizable by its three leaves per cluster. An aerosol spray as shown below will kill it if it invades your lawn. Its poisoning can cause highly uncomfortable skin inflammation.

Tot Hurlled Off Roof To Death; Blame Boy, 8

NEW YORK (AP) — An 8-year-old boy, who police said spoke proudly of shaking down money from younger children, has been charged with throwing a 4-year-old off a roof to his death because he could offer him only a potato chip.

Detective Edward Farrell said a potato chip was found tightly clutched in the hand of Javier Segarra.

The boy charged with hurling him from the roof was not identified. He was booked on juvenile delinquency with a specification of homicide.

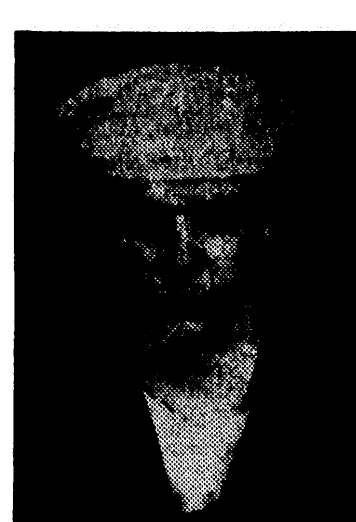

100,000 Homeless In Burma Storm

RANGOON, Burma (AP) — A storm that has battered Burma's southwestern coast for 48 hours destroyed 800 villages, and left more than 100,000 persons homeless.

At least six persons were killed and 16 are listed as missing in first reports from the disaster area.

Tidal waves swept over thousands of acres in the wake of the storm, inundating whole villages. Families were saved from drowning by climbing trees, reports said.

CLASSIFIED ADS COST LITTLE BUT DO A BIG JOB

SEAMAN RECRUIT Charles K. McCarthy, 19, USN, son of Mr. and Mrs. John M. McCarthy, 1819 S. 16th St., Escanaba, has graduated from nine weeks of Navy basic training at the Naval Training Center, Great Lakes, Ill.

First Boxing Gloves
The first use of boxing gloves in a tournament occurred in 1872, but they were not used in a world championship bout until 1892.

We're not interior decorators but...

A telephone installer doesn't pretend to be an interior decorator but he'll take a very special interest in helping you decide on just the right color phone to complement your room.

Telephone people aim to do something a bit beyond what is routinely expected of them.

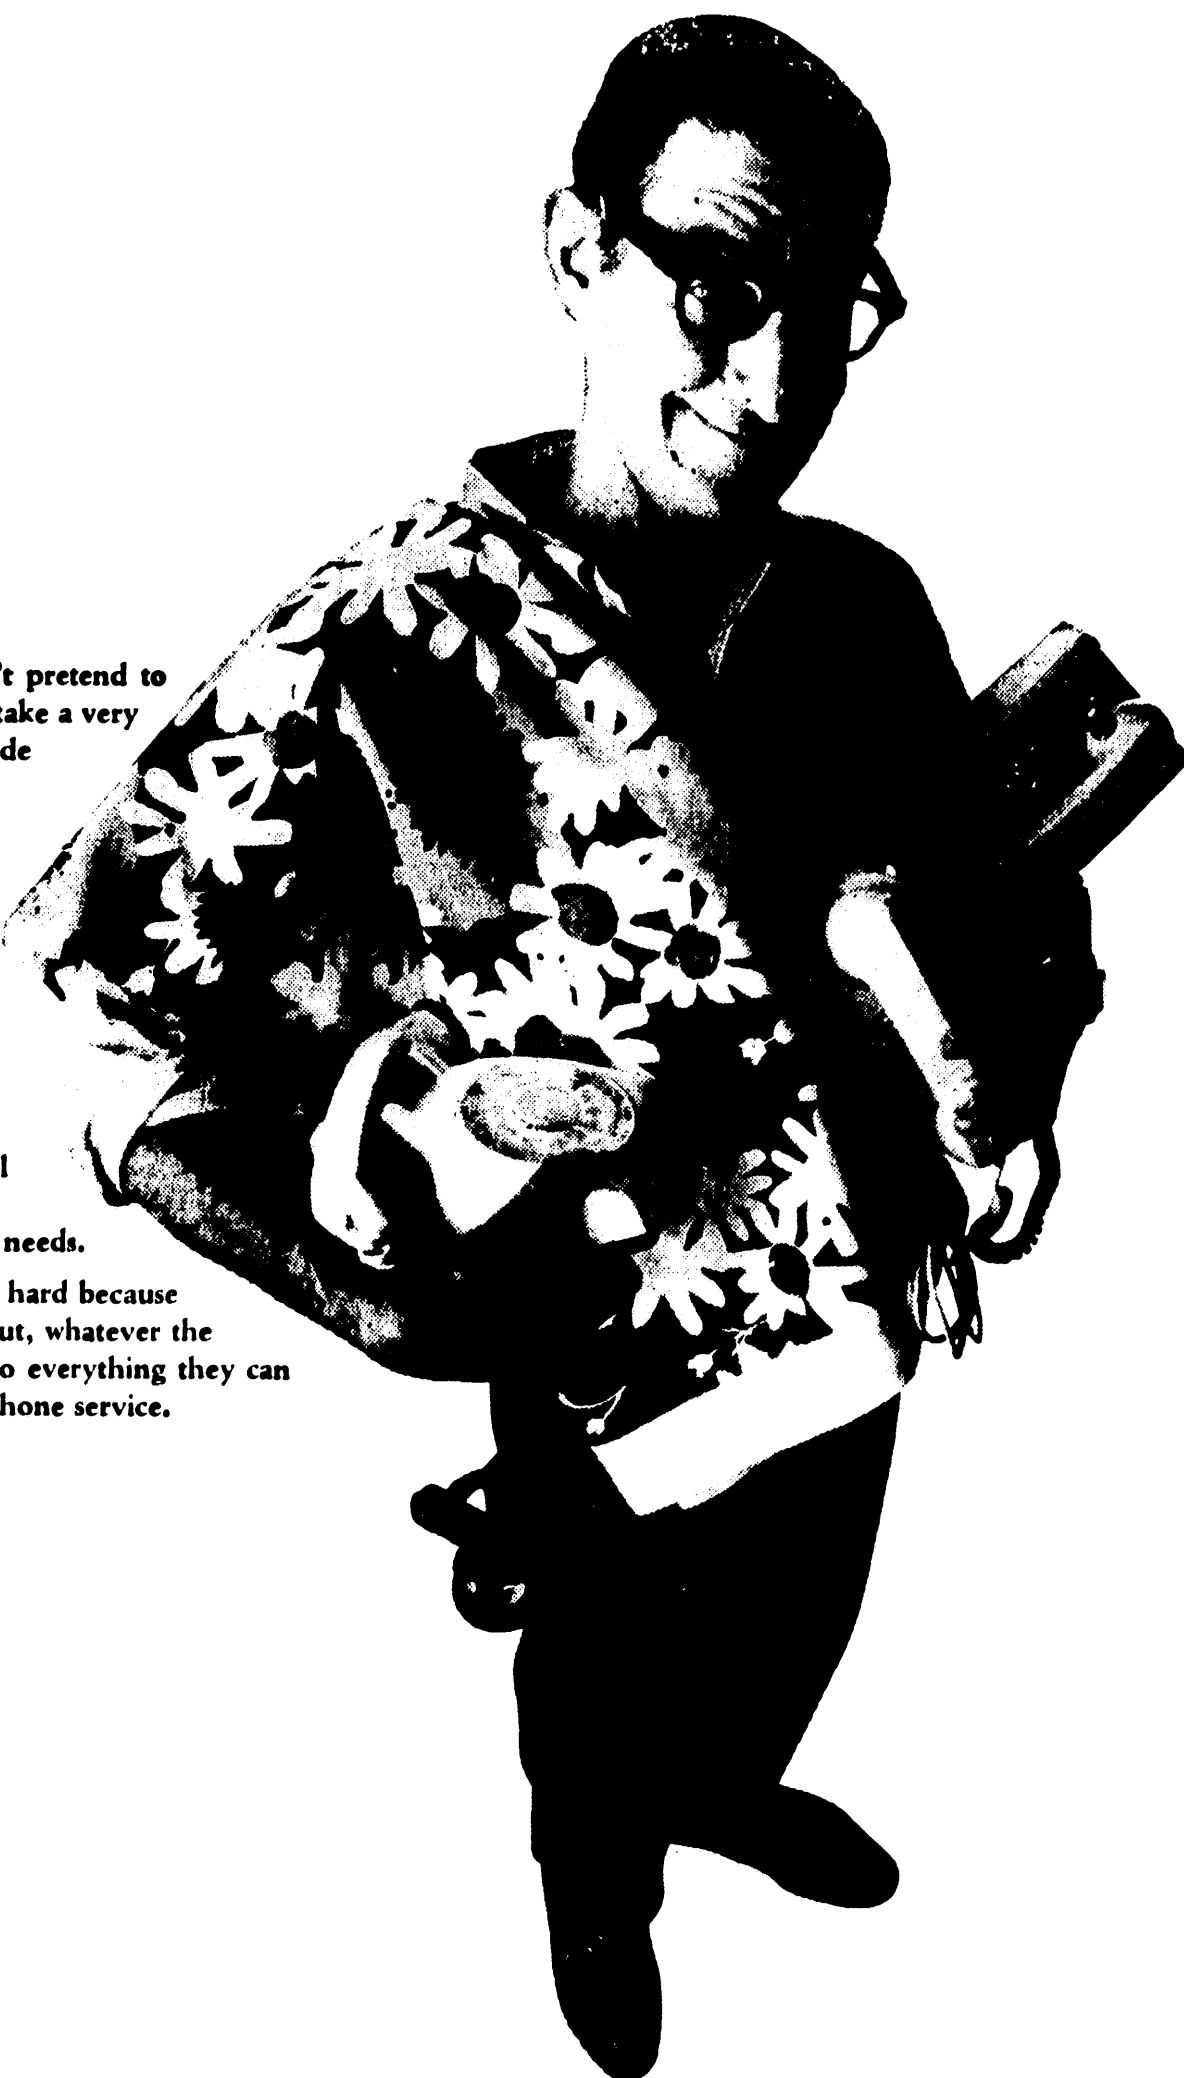

An Information Operator will trace every possible clue to help you locate a hard-to-find telephone number.

A Service Representative will take as long as you wish to discuss your particular telephone service needs.

Maybe telephone people try hard because they just naturally like people. But, whatever the reason, you'll find they want to do everything they can to give you the best possible telephone service.
